### **Subject Matter/Background**

This summary relates to Resolutions 44-2021 and 45-2021, both of which request authorization to apply for and accept grant funding for the Fabens Park Ice Rink Program. The purpose of the Program is to offer the residents of Erie County an alternative safe recreation option during the long cold months of winter. The Ice Rink concept is to encourage people of all ages to gather outdoors while interacting in a physical manner from approximately early-January to mid-March (weather dependent). The need for additional safe winter recreation programs has been discussed by many residents, committees and boards over the past several years. The Fabens Park Ice Rink offers an element of safety that ponds, streams and Lake Erie cannot. All Erie County residents and visitors will have the opportunity to utilize the Ice Rink at Fabens Park. The Ice Rink will be free of charge and open to the public for open skate and/or the organization of pickup hockey games.

The cost of the Ice Rink is approximately \$8,000, with the funds potentially provided as follows (if awarded):

- \$3,000 grant from the Patrick and Louise Murray Charitable Foundation (Resolution 44-2021); and
- \$5,000 grant from the Michelle Wightman/Karrie Wieber Charitable Foundation (Resolution 45-2021).

If either of the grants identified above is denied, HPRD will need to re-evaluate the terms of the Ice Rink Program. The success of this Program will be measured by tracking and recording the number of ice rink skaters and the frequency of use.

### **Financial Review**

There is no financial impact to the City for the purchase of the ice rink. The operating budget of the Parks and Recreation Department is expected to cover the cost to maintain the ice rink during the winter months.

### **Legal Review**

The matter has been reviewed, follows normal administrative procedure and is properly before you.

### **Recommendation**

If Council is in agreement, separate motions adopting Resolution 44-2021 and Resolution 45-2021 are in order.

### **Subject Matter/Background**

This legislative summary will relate to Resolutions 46-2021, 47-2021 and 48-2021.

On June 17, 2021, the President of the United States signed into law a bill recognizing June 19th (known as "Juneteenth") as a Federal holiday. Subsequently, on July 13, 2021, Council adopted Resolution 2021-26, which served to permanently recognize Juneteenth as a paid holiday for full-time salaries employees. To allow for observance of Juneteenth in 2021, the Collective Bargaining Agreements of the FOP/OLC/Seargents, FOP/OLC/Patrol Offices, IAFF and AFSCME must be amended. Each union has prepared a Memorandum of Understanding that modifies the current CBA to allow for deposit of 8 hours of holiday time into each employee's holiday bank for 2021 in recognition of Juneteenth, namely Resolution 46-2021 (FOP), Resolution 47-2021 (IAFF) and Resolution 48-2021 (AFSCME). This modification relates only to calendar year 2021, as the CBA for each union expires on December 31, 2021. Future CBA's will include Juneteenth as a recognized Federal paid holiday.

### **Financial Review**

The financial impact to the City will be negligible and only result in an increase to the sick payout provision in the Police Department and Fire Department collective bargaining agreements.

### **Legal Review**

The matter has been reviewed, follows normal administrative procedure and is properly before you.

### **Recommendation**

If Council is in agreement, motions adopting Resolution 46-2021, Resolution 47-2021 and Resolution 48-2021 are in order.

### **Subject Matter/Background**

A petition to vacate Kirkwood Road was submitted by Mr. Stephen West to the Clerk of City Council on June 15, 2021. The petition was introduced to Council on June 22, 2021, at which time they referred the matter to the Planning Commission for review and recommendation, and further set the public hearing on the matter for July 27, 2021 at 6:30pm. The Planning Commission subsequently met on June 23, 2021, at which time they recommended to City Council that the vacation of Kirkwood Road pursuant to the petition be approved as submitted. The Public Hearing was held on July 27, 2021, at which time City Council accepted the petition as submitted.

Adoption of Resolution 49-2021 would authorize a Conditional Vacation Agreement between the petitioner and the City of Huron. Pertinent terms of the agreement include:

- The current zoning district(s) shall be automatically extended to the side to which such land reverts;
- Public utilities shall have a permanent easement in the vacated portion of the street relating to any currently existing conduits, cables, wire, poles, etc.;
- The land will pass in equal halves to the adjacent land owners;
- The costs associated with all engineering and surveying, and preparation of all schematics, drawings, lot split and consolidation plat(s) and vacation plat shall be borne by petitioners;
- The costs associated with all title work shall be borne by petitioners;
- The lands will be accepted in their current AS IS, WHERE IS, WITH ALL FAULTS condition;
- No financial consideration is being paid by any part to the Agreement.

If this resolution is approved, future legislation will include an ordinance vacating Kirkwood Road pursuant to the terms of the Agreement.

### **Legal Review**

The matter has been reviewed, follows normal administrative procedure and is properly before you.

- (e) To the extent the City elects to approve the proposed vacation (subject to the provisions of Section 7 hereof), the vacation of Kirkwood Road, which has been dedicated to public use, shall, to the extent to which it is vacated, operate as a revocation of the acceptance thereof by the City, but the right of way and easement therein of any lot owner shall not be impaired by such City action.

**FROM:** Matthew Lasko  
**RE:** Resolution No. 50-2021  
**DATE:** August 10, 2021

---

### **Subject Matter/Background**

This resolution will authorize the submission of documentation to ODNR - Division of Watercraft seeking their approval for the placement of buoys for a boat lane at the east end of Nickel Plate Beach, which boat lane has been relocated further to the east in front of the grassy area per the recommendation of the Safety Committee. This documentation also acknowledges the City's intent of enforcement of these navigational aids. Pursuant to ODNR instruction, the City is submitting documentation seeking relocation of that boat lane only (all other buoys will remain in their current locations).

This resolution also authorizes submission of a request for a navigational aids grant request to replace approximately 21 buoys that have been damaged due to normal wear and tear and/or lost in recent storms. If approved, the buoys purchased would be placed by the Huron Police Department at the locations approved by ODNR.

### **Financial Review**

There will not be additional budgetary needs for these items of legislation. The personnel cost to move/place the buoys, if granted, is already included in the 20201 approved budget.

### **Legal Review**

The matter has been reviewed, follows normal administrative procedure and is properly before you.

### **Recommendation**

If Council is in agreement, a motion adopting Resolution 50-2021 is in order.

## **Navigational Aids Grant Request**

The Division of Watercraft is interested in providing navigational aids in partnership with political subdivisions to mark Ohio's waterways. The areas to be marked would be controlled navigational areas for recreational boating. The navigational aids are in strict accordance with the U.S Aids to Navigation System (USATONS). Before navigational aids are provided, it is necessary for the agency to enter into a cooperative agreement with Division of Watercraft. The terms of the agreement are as follows:

1. Navigational aids will conform to the requirements prescribed in section 1547.08 of the Ohio Revised Code.
2. Cooperating agencies will provide maps or charts of the waters involved showing placement and type of each proposed navigational aid.
3. The Division of Watercraft reserves the right to limit the number of navigational aids.
4. The cooperating agency agrees to place and maintain the navigational aids.
5. The Division assumes the cost of navigational aids, but not anchors, fastenings, or maintenance items.
6. Obligations of the state are subject to section 126.07 of the Ohio Revised Code.
7. When delivery is made, the agency will forward a signed copy of the receipt or a packing list indicating the order was received.

**NOTE: Navigational Aids placed on Federal Navigable Waters (Muskingum River, Ohio River, Lake Erie, etc.) first require consent or approval from the U.S. Coast Guard.** See form CG-2554 available from the US Coast Guard web site ([http://www.uscg.mil/forms/cg/CG\\_2554.pdf](http://www.uscg.mil/forms/cg/CG_2554.pdf)). ### **Subject Matter/Background**

This resolution authorizes the City to approve a settlement concerning the opioid litigation with AmerisourceBergen, Cardinal Health and McKesson regarding governmental entity claims in the State of Ohio. A detailed summary of the proposed settlement is attached hereto as Exhibit 1. The estimated potential settlement amount for each political subdivision is set forth on Exhibit 2 attached hereto. The estimated settlement amount for the City of Huron appears to range from \$42,687.91 (at 70%) to \$60,982.73 (at 100%), payable in installments over a period of 18 years. The City still needs clarification on specific uses and the timing of these disbursements. According to the summary of proposed settlement the plaintiffs, "most of the money will be restricted in use and specifically earmarked for abatement of the Opioid Epidemic...the list of pre-approved uses includes a wide range of intervention, treatment, education, and recovery services."

## **EXHIBIT 1**

### **OneOhio Summary of Proposed Settlement with AmerisourceBergen, Cardinal Health and McKesson**

A settlement proposal is being presented to you for your consideration concerning the opioid litigation with AmerisourceBergen, Cardinal Health and McKesson (the Distributors). The settlement is being offered by the Distributors for resolution of governmental entity claims in the State of Ohio. The proposal utilizes the structure of the OneOhio agreement between the State of Ohio and its subdivisions, subject to one modification discussed below

Under the proposal, the Distributors will pay up to an estimated \$804,865,429 to the State of Ohio and its subdivisions over 18 years. Under the OneOhio agreement, these funds will be distributed according to the following allocation: 15% directly to the State of Ohio; 30% directly to subdivisions; and 55% to the OneOhio Foundation (to be utilized for the benefit of the subdivisions across the State of Ohio). Most of the money will be restricted in use and specifically earmarked for abatement of the Opioid Epidemic. Developed in consultation with the nation's leading public health experts, the list of pre-approved uses includes a wide range of intervention, treatment, education, and recovery services so that the state and its subdivisions can decide what will serve their communities.

Participation levels (the percentage of Ohio cities and counties who agree to the deal) will affect how much money the State of Ohio and its subdivisions will receive. About 45% of abatement funds are in the form of "incentive payments" which provide incentives for higher levels of participation. With the goal of getting funds to the community as fast as possible, if 95% participation is reached, abatement funds will begin flowing to the State of Ohio and its subdivisions as early as this year. Portions of the annual payment to each state may be subject to "suspension" (i.e., placed in escrow) in the event primary subdivisions bring or expand litigation against the distributors past specified suspension deadlines.

Because 45% of the funds are paid in the form of incentive payments, in order for the State of Ohio and its subdivisions to maximize recovery under the proposed settlement, it is critical that participation meets or exceeds 95%. The following is a summary of the base payment and incentive structure:

- Once a state agrees to participate, it is eligible to receive 55% of the funds as a "base payment."
- The remaining 45% can be obtained through a combination of "incentive payments."
- "Incentive A" is up to 40% of the remaining funds. Incentive A is paid if the State of Ohio enacts legislation to release all pending claims and prohibit subdivisions who have not brought claims from bringing them in the future. To allow time for the State to enact legislation, Incentive A will be paid in the first two payments, regardless of whether the legislation has been passed. Any overpayment in year one and two will offset future

payment. If Incentive A is not achieved, the State of Ohio can obtain the same amount of funds through Incentives B and C. Incentives B and C are alternatives to Incentive A.

- “Incentive B” is up to 25% off the remaining funds. Incentive B is paid on a sliding scale depending on the population of Litigating Subdivisions that are Participating Subdivisions compared to total population of all Litigating Subdivisions in the State. Must have at least 85% to get any share of Incentive B.
- “Incentive C” is up to 15% of the remaining funds. Incentive C is paid on a sliding scale depending on the population of Litigating Subdivisions and of Non Litigating Subdivisions that have a population over 30,000 that are Participating Subdivisions compared to the total population of all Litigating Subdivisions and of all Non Litigating Subdivisions with a population over 30,000 in the state. Must have at least 60% to get any share of Incentive C.
- “Incentive D” is 5% of the remaining funds. Incentive D is paid at the end of 5 years if the State of Ohio has had no later Litigating Subdivisions bring suit and proceed past preliminary motions in the prior 5 years.

To reach an agreement with the Distributors, our short-term goal is to have 95% of Litigating Subdivisions participate. If the 95% threshold is achieved, the floor for Ohio recovery is 70% of the estimated \$804,865,429.

Regardless of the participation level, Distributors will make the first two years’ payments at 95% of the estimated \$804,865,429, with adjustments occurring in year 3 and beyond.

During the two period, our goal is to either achieve Incentive A or Incentives B & C, for a continued 95% payout.

The settlement is only open to governmental entities. Claims brought on behalf of private individuals and businesses (including third-party payers like health and welfare funds and insurers) are not included (and are not released), although individuals, businesses and payers will benefit from the Opioid Remediation funding and injunctive relief provided in the settlements.

In an effort to reduce attorney fees for the subdivisions and potentially increase recovery to the Foundation, attorneys for the subdivisions have agreed to amend OneOhio such that any attorney fees paid by the Distributors for contingency contracts and funding of the Local Government Fee Fund (“LGFF”) from OneOhio will be used to satisfy contingency contracts. Previously OneOhio called for 60% of the LGFF to be utilized for common benefit assessment in the national litigation. By utilizing 100% the LGFF for the contingency fees, there becomes a greater likelihood that the LGFF will have a surplus, which, would revert to the Foundation for the benefit of all subdivisions. Any attorney or law firm receiving fees through this settlement would have their contingency fees capped at no more than a 25% and be required to waive enforcement against their client of any amounts owed in excess of fees recovered through the LGFF.

In addition to money to be used for abatement of the effects of the Opioid epidemic, the settlement provides robust injunctive relief that will require the Distributors make significant changes in the way they conduct their business. Among other changes, the Distributors must follow substantially increased and improved measures to identify suspicious orders and pharmacy customers, under the oversight of an independent third-party monitor. The Distributors each must begin using a clearinghouse that accounts not only for their own opioid shipments, but the shipments of the other distributors. This enables, for the first time, a truer picture of overall opioids distribution and requires drug distributors to alter their shipments based on the shipments by others. This clearinghouse will use the Distributors' collective data to establish pharmacy-specific opioid shipment limits that each Distributor must follow.

Finally, we ask that you review "Allocations to Ohio Municipalities" (Exhibit 5) to understand the amount of money your subdivision would receive as their direct 30% share through this proposal. Attorneys fees have already been deducted in Exhibit 5. You will note that there are two numbers listed as direct payment allocations. The lower number is the amount your subdivision is estimated to recover if we reach the short-term threshold of 95% of Litigating Subdivisions participating. This will result in a 70% payout. The higher number represents the amount your subdivision is estimated to recover if we meet Incentive A or the 100% participation level. You will also note two numbers under the heading "Foundation Regional Total" at both 70% and 100% allocation payouts. These numbers represent the total allocation to your region.

The following is an example of Region 2 at 100% allocation:

City of Cincinnati – Direct Allocation	\$3,872,795.76
Hamilton County – Direct Allocation	\$11,796,568.08
Other subdivisions in Hamilton County – Direct Allocation	\$3,219,273.16

The governmental entity identified above ("Governmental Entity"), in order to obtain and in consideration for the benefits provided to the Governmental Entity consistent with the material terms of the National Settlement Agreement dated July 21, 2021 ("National Distributor Settlement"), and acting through the undersigned authorized official, hereby elects to participate in the material terms of the National Settlement Agreement Distributor Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the National Distributor Settlement, understands that all terms in this Participation Form have the meanings defined therein, and agrees that by signing this Participation Form, the Governmental Entity elects to participate consistent with the material terms of the National Distributor Settlement and become a Participating Subdivision as provided therein pursuant to the terms of the final OneOhio Memorandum of Understanding dated July 28, 2021.
2. The Governmental Entity's election to participate is specifically conditioned on participation by 95% or more of the Litigating Subdivisions in Ohio. Should less than 95% of the Litigating Subdivisions in Ohio participate, this election shall be deemed void and no claims shall be released.
3. The Governmental Entity shall, prior to the filing of the Consent Judgment, secure the dismissal with prejudice of any Released Claims that it has filed.
4. The Governmental Entity agrees to the material terms of the National Distributor Settlement pertaining to Subdivisions as defined therein.
5. By agreeing to the material terms of the National Distributor Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.
6. The Governmental Entity agrees to use any monies it receives through the material terms of the National Distributor Settlement solely for the purposes provided therein.

7. The Governmental Entity submits to the jurisdiction of the Madison County Court of Common Please where the Consent Judgment is filed for purposes limited to the court's role as provided in, and for resolving disputes to the extent provided in, the material terms of the National Distributor Settlement Agreement. If the National Distributor Settlement is finalized, the Governmental Entity likewise agrees to arbitrate before the National Arbitration Panel as provided in, and for resolving disputes to the extent otherwise provided in the National Distributor Settlement.
8. The Governmental Entity has the right to enforce the material terms of the National Distributor Settlement as provided therein.
9. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the material terms of the National Distributor Settlement, including, but not limited to, all provisions of Part XI, and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the material terms of the National Distributor Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The material terms of National Distributor Settlement shall be a complete bar to any Released Claim.
10. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision consistent with the material terms of the National Distributor Settlement.
11. In connection with the releases provided for in the material terms of the National Distributor Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

General Release; extent. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in

his or her favor at the time of executing the release, and that if known by him or her would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the material terms of the National Distributor Settlement.

12. Nothing herein is intended to modify in any way the terms of the material terms of the National Distributor Settlement to which Governmental Entity hereby agrees, with the exception of the requisite Litigating Government participation level. If the National Settlement becomes effective by July 1, 2022 its terms will supersede the terms of the Ohio Settlement Agreement and will control with regard to all provisions except for Dismissal of Claims as set forth in the Ohio Settlement Agreement. If it is not effective by July 1, 2022, the Ohio Specific Distributor Settlement will control. To the extent this Participation Form is interpreted differently from the Ohio Specific Distributor Settlement in any respect, the Ohio Specific Distributor Settlement controls.

I have all necessary power and authorization to execute this Participation Form on behalf of the Governmental Entity and have been afforded the opportunity to review this matter with counsel.
