Subject Matter/Background

A Street Modification Petition Form to Change the Street Name was submitted on November 27, 2022, to the Clerk of Council by Steven Muniak and Kelly Everman, residing at 35 West Drive, Huron, Ohio, to change the name of West Drive (also known as West Street) to Sail Away Drive. Council thereafter set the matter for Public Hearing which will be held prior to the regularly scheduled Council meeting at 6:30pm on January 24, 2023. A copy of the Petition is attached hereto as Exhibit 1.

Parcel Number: 42-01120-000

Address: 35 West Drive, Huron OH 44839

With this property being the only address on West Drive, the request to become part of Sail Away Drive makes logistical sense and is supported by Staff.

Financial Review

There is no financial impact relating to adoption of this ordinance, other than purchase of replacement street signs, which expense is accounted for in the Street Department's 2023 budget.

Legal Review

The matter has been reviewed, follows normal administrative procedure and is properly before you.

Recommendation

If Council is in agreement with the request, a motion placing Ordinance No. 2023-1 on its second reading is in order.

Street(s) to be modified with existing road specifications:

35 West Drive

- ☒ Change of Name
☐ Narrowing of Street(s)
☐ Vacation of Street(s)

Explain proposed road modification(s):

Being the only house on West Drive, we would like to propose changing the name of West Drive to Sail Away Drive, thereby becoming continuous with the current Sail Away Drive. The end result would be Sail Away Drive extending to intersect with South Street. This would also eliminate redundancy, as there is another West Dr. with a Huron mailing address east of town, in the Mitiwanga area.

Explain the reason the street modification is being requested: See prior section

RE: Ordinance No. 2023-3 (*submitted by Stuart Hamilton*)
DATE: February 14, 2023

Subject Matter/Background

Demand Response is a type of electrical aggregation program. How it differs from our normal aggregation programs, is that this program is designed to make businesses curtail power consumption during high load/low supply situations on the grid. This is carried out via a demand response provider. When a curtailment event is called, the companies signed up for this program are contractually obligated to curtail (also known as power shave) to reduce their demand on the electrical grid, and in return, get paid for doing so. If they do not curtail to their contractually obligated level, they incur an additional charge.

This legislation is in front of you to authorize HPP to allow Demand Response providers to operate within our utility. This is a PJM (PA, NJ and MD regional transmission organization) requirement prior to allowing this service. The intent is to allow HPP customers engage directly with DR providers. The reason for this is to remove HPP from any "stuck in the middle" situation between our customers and third parties.

Financial Review

This legislation has no financial impact on the City and is intended to financially benefit HPP customers, lowering power consumption costs from AMP Ohio.

Legal Review

The matter has been reviewed, follows normal administrative procedure and is properly before you.

Recommendation

If Council is in agreement with the request, a motion adopting Ordinance No. 2023-3 is in order.

ORDINANCE NO. 2023-3
Introduced by Joel Hagy

AN ORDINANCE TO ALLOW THE CITY OF HURON, OHIO OR AUTHORIZED ENTITIES TO ALLOW DEMAND RESPONSE OF RETAIL CUSTOMERS IN ACCORDANCE WITH FERC ORDER 719 AND TAKING OTHER ACTIONS IN CONNECTION THEREWITH

WHEREAS, the City of Huron, Ohio ("Municipality") owns and operates an electric utility system for the sale of electric power and associated energy for the benefit of its citizens and taxpayers;

WHEREAS, On October 28, 2008 the Federal Energy Regulatory Commission ("FERC" or "Commission") issued Order No. 719, 125 FERC ¶ 61,071, 73 Fed. Reg. 64,099 ("Order 719");

WHEREAS, Order No. 719, 18 C.F.R. § 35.28(g)(1)(i)(A) provides: "Every Commission-approved independent system operator or regional transmission organization that operates organized markets based on competitive bidding for energy imbalance, spinning reserves, supplemental reserves, reactive power and voltage control, or regulation and frequency response ancillary services (or its functional equivalent in the Commission-approved independent system operator's or regional transmission organization's tariff) must accept bids from demand response resources in these markets for that product on a basis comparable to any other resources, if the demand response resource meets the necessary technical requirements under the tariff, and submits a bid under the Commission-approved independent system operator's or regional transmission organization's bidding rules at or below the market-clearing price, unless not permitted by the laws or regulations of the relevant electric retail regulatory authority.";

WHEREAS, Order 719, 18 C.F.R. § 35.28(g)(1)(iii) provides: "Each Commission-approved independent system operator and regional transmission organization must accept bids from an aggregator of retail customers that aggregates the demand response of the customers of utilities that distributed more than 4 million megawatt-hours in the previous fiscal year, and the customers of utilities that distributed 4 million megawatt-hours or less in the previous fiscal year, where the relevant electric retail regulatory authority permits such customers' demand response to be bid into organized markets by an aggregator of retail customers.";

WHEREAS, the Council of the City of Huron, Ohio is the relevant retail electric regulatory authority, as defined in Order 719, for the Municipality's electric utility;

WHEREAS, the Municipality's electric utility system distributed less than 4 million megawatt hours in the previous fiscal year and, therefore, the Council of the City of Huron, Ohio's authority is required to permit the Municipality's retail customers' demand response to be aggregated and bid into organized electric and ancillary service markets:

WHEREAS, the City of Huron, Ohio desires to implement a demand response program that would allow the retail customers of the Municipality, with the authorization of the Municipality, to contract with entities to aggregate demand response of the retail customer and bid demand response directly into the organized electric and ancillary services markets; and

WHEREAS, the Council of the City of Huron, Ohio has determined that the collective interests of the Municipality's electric utility system, and the Municipality's individual retail customers, would be benefited by implementation of a Municipal electric utility demand response program.

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Huron, Ohio that:

SECTION 1. The Council of the City of Huron, Ohio, as the retail electric regulatory authority for the Municipality and its retail electric consumers, hereby authorizes a demand response program that allows the Municipality or authorized demand response providers ("DR Providers") to: (1) aggregate demand response on behalf of retail customers of the Municipality; and (2) bid demand response on behalf of retail customers directly into the organized electric and ancillary services markets administered by the regional transmission organization that includes the Municipality (or any successor independent system operator or regional transmission organization).

SECTION 2. The Municipality or authorized DR Providers are the sole entities permitted to aggregate retail customers' demand response and bid demand response on behalf of retail customers of the Municipality directly into any Commission-approved independent system operator's or regional transmission organization's organized electric markets.

SECTION 3. Retail customers on the Municipality's electric system desiring to bid their demand response into a Commission-approved independent system operator's or regional transmission organization's organized electric markets may do so only by participating in the program established by the Municipality.

SECTION 4. The City of Huron shall have the sole authority to authorize DR Provers to enter into contracts with the City's retail customers for the aggregation of retail customers' demand response and bid demand response on behalf of retail customers.

SECTION 5. The City of Huron is authorized, with approval of the Council, to adopt any necessary regulations to implement this Ordinance.

SECTION 6. That it is found and determined that all formal actions of this Council of the City of Huron, Ohio concerning and relating to the passage of this Ordinance were taken in an open meeting of this Council and that all deliberations of this Council and of any committees that resulted in those formal actions were in meetings open to the public, in compliance with all legal requirements.

SECTION 7. If any section, subsection, paragraph, clause or provision or any part thereof of this Ordinance shall be finally adjudicated by a court of competent jurisdiction to be invalid, the remainder of this Ordinance shall be unaffected by such adjudication and all the remaining provisions of this Ordinance shall remain in full force and effect as though such section, subsection, paragraph, clause or provision or any part thereof so adjudicated to be invalid had not, to the extent of such invalidity, been included herein.

SECTION 8. That this Ordinance shall take effect and be in force from and after the time period contained in Section 3.06 of the Charter of the City of Huron.

Subject Matter/Background

Resolution No. 6-2023 requests ratification of a Memorandum of Understanding between the City of Huron and the FOP/OLC/Sergeants due to the retirement of Chief Lippert on February 1, 2023. Chief Lippert's departure left the department short an officer, making it impossible to adhere to the CBA's requirement under Section 12.05 that each eight (8) hour shift be manned by two (2) police officers exclusive of administrative personnel.

This resolution will allow newly appointed Chief Terry Graham to count toward the minimum manning requirement through no later than May 1, 2023, or upon the promotion to the vacant Sergeant's position, the hiring of one Patrol Officer and the Patrol Officer's FTO, whichever comes first.

Total costs will be incurred over the next 5 years. Although the entire program amount was not awarded, the City's General Fund will subsidize the difference over the next five years.

Legal Review

The matter has been reviewed, follows normal administrative procedure and is properly before you.

Recommendation

If Council is in agreement with the request, a motion adopting Resolution No. 8-2023 is in order.

FROM: Stuart Hamilton , Service Director
RE: Resolution No. 9-2023 (*submitted by Stuart Hamilton*)
DATE: February 14, 2023

Subject Matter/Background

In September of 2022, Council passed Resolution 84-2022, authorizing the application for a HSIP grant. During the submittal, it was suggested that we apply for Highway Safety Program grant instead. We submitted a pre-application to see which was the best option for our project. Our pre-application ended up being submitted for us, and the original grant was put on hold. With this being said, we are now coming back for ratification.

This new grant application is for a total of \$650,000 and would go toward our Cleveland Road East Sidewalk Project.

Financial Review

If awarded, the grant will provide another source of non-local revenue toward this project. The project is currently budgeted out of the City's Capital Improvement Fund. The Township has agreed to share in the cost of the project, as well.

Legal Review

The matter has been reviewed, follows normal administrative procedure and is properly before you.

Recommendation

If Council is in agreement with the request, a motion to adopt Resolution No. 9-2023 is in order.

A RESOLUTION RATIFYING THE CITY MANAGER'S APPLICATION TO THE OHIO DEPARTMENT OF TRANSPORTATION'S HIGHWAY SAFETY PROGRAM FOR GRANT FUNDS FOR ROADWAY DEPARTURE SAFETY IMPROVEMENTS RELATING TO THE CLEVELAND ROAD EAST SIDEWALK EXTENSION PROJECT IN THE AMOUNT OF SIX HUNDRED FIFTY THOUSAND AND 00/100 DOLLARS (\$650,000.00); AND FURTHER AUTHORIZING THE CITY MANAGER TO ACCEPT THE GRANT AWARD IN AN AMOUNT NOT TO EXCEED SIX HUNDRED FIFTY THOUSAND AND 00/100 DOLLARS (\$650,000.00) AND ENTER INTO AN AGREEMENT WITH THE OHIO DEPARTMENT OF TRANSPORTATION, SHOULD THE APPLICATION BE SUCCESSFUL.

WHEREAS, on January 22, 2023, ODOT's Highway Safety Program began accepting program applications that focus on preventing injuries resulting from pedestrian and roadway departure crashes through systemic infrastructure improvements; and

WHEREAS, ODOT has made funds available for eligible projects up to a maximum grant amount of \$650,000 while requiring a local match of 10%; and

WHEREAS, the City staff believes the Cleveland Road East Sidewalk Extension Project meets the criteria for this grant program, and made application for the maximum grant funds allowed for this type of project, Six Hundred Fifty Thousand Dollars (\$650,000.00) prior to the application deadline of January 31, 2023, which it believes to be proper and beneficial to the City.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF HURON, OHIO:

SECTION 1. The City Manager's submission of a grant application on behalf of the City of Huron, Ohio to the Ohio Department of Transportation's Highway Safety Program for grant funds for roadway departure safety improvements relating to the Cleveland Road East Sidewalk Extension Project is hereby ratified, a copy of which is attached hereto as Exhibit "A" and made a part hereof.
