**APPLICABLE CODE SECTIONS:**

**1139.06 ZONING DISTRICT CHANGES AND ZONING REGULATION AMENDMENTS.**

(a) Council May Amend Zoning Ordinance. Whenever the public necessity, convenience, general welfare or good zoning practice require, Council may by ordinance, after recommendation thereon by the Planning Commission and subject to the procedure provided in this section, amend, supplement or change the regulations, district boundaries or classifications of property, now or hereinafter established by this chapter or amendments thereof. The Planning Commission shall submit its recommendations regarding all applications or proposals for amendments or supplements. An amendment, supplement, reclassification or change may be initiated by the Commission on its own motion or by a verified application of one or more of the owners or lessees of property within the area proposed to be changed or affected by this chapter. This only applies to content based

(b) Procedure for Change. Applications for change of district boundaries or classifications of property as shown on the Zoning Map shall be submitted to the Commission (with a copy provided to the Clerk of Council), which Commission shall be allowed a reasonable time, not less than thirty days, for submitting its recommendations on

a proposed amendment or reclassification to Council. Each such application shall be verified by at least one of the owners or lessees of property within the area proposed to be reclassified, attesting to the truth and correctness of all facts and information presented with the applications. Applications for amendments initiated by the Commission itself shall be accompanied by its own motion pertaining to such proposed amendment.

(1) List of property owners. Any person or persons desiring change in the zoning classification of property shall file with the application for such change a statement giving the names and addresses of the owners of all properties lying within 100 feet of any part of the exterior boundaries of the premises the zoning classification of which is proposed to be changed.

(2) Notice and hearing. Before submitting its recommendations on a proposed amendment or reclassification to Council, the Commission may hold a public hearing thereon, notice of which shall be given by one publication in a newspaper of general circulation in the City at least ten (10) days before the date of such hearing. The notice shall state the place and time at which the proposed amendment to the Ordinance, including text and maps, may be examined. If the Ordinance intends to rezone or redistrict ten (10) or less parcels of land as listed on the tax duplicate, written notice of the hearing shall be mailed by the Clerk of Council by first-class mail, at least twenty (20) days before the date of the public hearing, to the owners of property within and contiguous to and directly across the street from such parcel or parcels, to the address of such owners appearing on the County Auditor's current tax list or the Treasurer's mailing list. The failure of delivery of such notice shall not invalidate any such ordinance.

(3) Recommendation to Council. Following their review, the Commission may recommend that the application be granted as requested, or it may recommend a modification of the zoning amendment requested in the application, or it may recommend that the application not be granted. These recommendations shall then be certified to Council.

(4) Council hearing. After receiving from the Commission the certification of such recommendations on the proposed content-based amendment or amendments, and before adoption of such amendment, Council shall hold a public hearing thereon, at least thirty (30) days' notice of the time and place of which shall be given by one publication in a newspaper of general circulation in the City. The 30-day notice shall be waived for minor formatting amendments only.

(5) Council; final action. Following such hearing and after reviewing the recommendations of the Commission thereon, Council shall consider such recommendations and vote on the passage of the proposed amendment to the text of the Ordinance or the Zoning Map. Council may overrule the recommendations of the Commission by a majority vote of the full membership of Council.

(6) Fees. Each application for a zoning amendment, except those initiated by the Planning Commission, shall be accompanied by a fee as prescribed by Council in the Fee Schedule set in the Administrative Code to cover the costs of publishing, posting and/or mailing notices of hearings.

(Ord. 2023-53. Passed 1-23-24.)

**Staff Analysis/Recommendation**

Staff met with the applicant, reviewing the current allowable uses within I-2, which is limited to industrial manufacturing uses. Most, if not all, of the vacant parcels or farmland in this area is zoned I-1 or I-2. With the recent city owned parcels on River Road being rezoned from I-2 to R-1 to accommodate the anticipated residential development, staff finds this request to rezone these parcels to B-3 would provide better uses suitable in proximity to the anticipated residential development.

With regard to traffic flow, as noted in recent discussions, Administration has already authorized two traffic studies to be conducted by OHM Advisors related to traffic lights for the River Road/Cleveland Road E intersection.

Staff supports a recommendation to City Council for the approval of the rezoning application as submitted.

### **Subject Matter/Background**

After our work session on e-bikes, scooters, low speed mobility devices etc., it was decided to enable our Police Department to confiscate these devices operated by a minor, upon offenses listed in this charter. The PD may confiscate these devices, and they will be available for pickup from the Police Department Building by the parent/guardian after an explanation of the offenses carried out. This is intended to help educate the riders on road safety and also the parents of unlawful behavior.

As an aside to this, our SRO will be implementing a new road safety program at the schools. This will be aimed at educating from a young age, the rules of the road and courtesy, and how to safely navigate sidewalks and roadways.

### **Subject Matter/Background**

This legislation in the amount of \$139,555.45 (includes 10% contingency) will remove all existing bike lane markings from just east of Berlin Road on Rt 6 through Williams St on both sides of the road. The road will then be crack sealed.

Seal Master we kind enough to donate the labor to repaint the green paint, and to provide the paint itself at cost (\$21,000). This is a huge savings and we thank them very much for their partnership. The green paint will be applied in a much-reduced configuration, highlighting intersections and drive openings.

We will then restripe the bike lanes and re-add the symbols. High reflective white paint will be added across the bridge decks.

The total of the project is expected to be around \$161,000.

WHEREAS, the MOU has been collaboratively drafted to maintain all individual claims while allowing the State and Local Governments to cooperate in exploring all possible means of resolution; and

WHEREAS, the Council understands that an additional purpose of the MOU is to create an effective means of distributing any potential settlement funds obtained under the MOU between the State of Ohio and Local Governments in a manner and means that would promote an effective and meaningful use of the funds in abating the opioid epidemic throughout Ohio, as well as to permit collaboration and explore potentially effectuation earlier resolution of the Opioid Litigation against Opioid Pharmaceutical Companies; and

WHEREAS, multiple national opioids settlements ("Proposed Settlements") have been reached with certain pharmaceutical manufacturers (collectively "Secondary Manufacturers"), including the following: Alvogen, Inc. (April 4, 2025); Apotex Corp. (April 4, 2025); Amneal Pharmaceuticals LLC (April 4, 2025); Hikma Pharmaceuticals USA Inc. (April 4, 2025); Indivior Inc. (April 4, 2025); Viatris Inc. New National Opioids Settlement: Secondary Manufacturers  
Opioids Implementation Administrator  
[opioidsparticipation@rubris.com](mailto:opioidsparticipation@rubris.com)

Huron city, OH  
Reference Number: CL-1766423

**TO LOCAL POLITICAL SUBDIVISIONS:**

**THIS PACKAGE CONTAINS DOCUMENTATION TO PARTICIPATE IN THE NEW NATIONAL OPIOIDS SECONDARY MANUFACTURERS SETTLEMENTS. YOU MUST TAKE ACTION IN ORDER TO PARTICIPATE.**

**Deadline: October 8, 2025**

A new proposed national opioids settlement ("*Secondary Manufacturers Settlements*") has been reached with eight opioids manufacturers: Alvogen, Amneal, Apotex, Hikma, Indivior, Mylan, Sun, and Zydus ("*Settling Defendants*"). This *Combined Participation Package* is a follow-up communication to the *Notice of National Opioids Settlement* recently received electronically by your subdivision.

You are receiving this *Combined Participation Package* because Ohio is participating in the Secondary Manufacturers Settlements.

If a state is not eligible to or does not participate in the settlement with a particular manufacturer, the subdivisions in that state are not eligible to participate in that manufacturer's settlement.

This electronic envelope contains:

- A *Combined Participation Form* for the *Secondary Manufacturers Settlements* that your subdivision is eligible to join, including a release of any claims.

**The *Combined Participation Form* must be executed, without alteration, and submitted on or before October 8, 2025, in order for your subdivision to be considered for initial participation calculations and payment eligibility under the *Secondary Manufacturers Settlement*.**

Based upon *Combined Participation Forms* received on or before October 8, 2025,, the subdivision participation rate will be used to determine whether participation is sufficient for each settlement to move forward and whether a state earns its maximum potential payment under each settlement. If a settlement moves forward, your release will become effective. If a settlement does not move forward, that release will not become effective.

Any subdivision that does not participate cannot directly share in the settlement funds, even if the subdivision's state is settling and other participating subdivisions are sharing in settlement funds. Any subdivision that does not participate may also

reduce the amount of money for programs to remediate the opioid crisis in its state. Please note, a subdivision will not necessarily directly receive settlement funds by participating; decisions on how settlement funds will be allocated within a state are subject to intrastate agreements or state statutes.

You are encouraged to discuss the terms and benefits of the *Secondary Manufacturers Settlements* with your counsel, your Attorney General's Office, and other contacts within your state. Many states are implementing and allocating funds for this new settlement the same as they did for the prior opioids settlements but states may choose to treat this settlement differently.

Information and documents regarding the *Secondary Manufacturers Settlements*, implementation in your state, and how funds will be allocated within your state can be found on the national settlement website at <https://nationalopioidsettlement.com/>. This website will be supplemented as additional documents are created.

This *Participation Packet* is different than the participation packet you recently received from Rubris concerning a settlement with Purdue Pharma, L.P, and the Sackler Family. The *Secondary Manufacturers Settlements* discussed in this *Participation Packet* are different than the settlement with Purdue and the Sacklers, and you may participate in the *Secondary Manufacturers Settlements* regardless of whether you join the Purdue and Sackler settlement.

### **How to return signed forms:**

There are three methods for returning the executed *Combined Participation Form* and any supporting documentation to the Implementation Administrator:

- (1) *Electronic Signature via DocuSign*: Executing the *Combined Participation Form* electronically through DocuSign will return the signed form to the Implementation Administrator and associate your form with your subdivision's records. Electronic signature is the most efficient method for returning the *Combined Participation Form*, allowing for more timely participation and the potential to meet higher settlement payment thresholds, and is therefore strongly encouraged.
- (2) *Manual Signature returned via DocuSign*: DocuSign allows forms to be downloaded, signed manually, then uploaded to DocuSign and returned automatically to the Implementation Administrator. Please be sure to complete all fields. As with electronic signature, returning a manually signed *Combined Participation Form* via DocuSign will associate your signed forms with your subdivision's records.
- (3) *Manual Signature returned via electronic mail*: If your subdivision is unable to return an executed *Combined Participation Form* using DocuSign, the signed *Combined Participation Form* may be returned via electronic mail to [opioidsparticipation@rubris.com](mailto:opioidsparticipation@rubris.com). Please include the name, state, and

reference ID of your subdivision in the body of the email and use the subject line Combined Settlement Participation Form – [Subdivision Name, Subdivision State] – [Reference ID].

Detailed instructions on how to sign and return the *Combined Participation Form*, including changing the authorized signer, can be found at <https://nationalopioidsettlement.com/additional-settlements/>. You may also contact [opioidsparticipation@rubris.com](mailto:opioidsparticipation@rubris.com).

**The sign-on period for subdivisions ends on October 8, 2025.**

If you have any questions about executing the *Combined Participation Form*, please contact your counsel, the Implementation Administrator at [opioidsparticipation@rubris.com](mailto:opioidsparticipation@rubris.com), or the Office of the Ohio Attorney General at 800-282-0515.

Thank you,

Secondary Manufacturers Settlements Implementation Administrator

*The Implementation Administrator is retained to provide the settlement notice required by the Secondary Manufacturers Settlements and to manage the collection of the Combined Participation Form.*
