

THE CITY OF HURON, OHIO
Proceedings of the Huron City Council
Regular Meeting Tuesday, January 13, 2026 at 6:30pm

Call to Order

The Mayor called to order the regular Council meeting of January 13, 2026 to order at 6:30pm. The Mayor called for a moment of silence. After the moment of silence, the Mayor led in saying the Pledge of Allegiance to the Flag.

Roll Call

The Mayor directed the Clerk to call the roll for the regular meeting of Council. The following members of Council answered present: **Joe Dike, Sam Artino, William Biddlecombe, Monty Tapp, Mark Claus and Tom Harris**. Member absent: **Joel Hagy**.

Motion by Mr. Claus to excuse the absence of Mr. Hagy.

The Mayor asked if there were any questions on the motion. There being none, the Mayor directed the Clerk to call the roll on the motion. Members of Council voted as follows:

YEAS: **Claus, Harris, Dike, Artino, Biddlecombe, Tapp (6)**
NAYS: **None (0)**

There being a majority in favor,

Staff in attendance: City Manager Stuart Hamilton, Law Director Todd Schrader, Police Chief Terry Graham, Water Superintendent Jack Evans and Terri Welkener, Clerk of Council.

Approval of Minutes

None.

Audience Comments

The Mayor directed members of the audience having comments to approach the podium, state their name and address Council, and advised that they would have 3 minutes to make their comments.

None.

Old Business

Resolution No. 92-2025 (second reading)

Motion by Mr. Artino that Resolution No. 92-2025 (A RESOLUTION PURSUANT TO SECTION 5705.19(I) OF THE REVISED CODE SUBMITTING TO THE ELECTORS OF THE CITY OF HURON THE QUESTION OF THE PLACEMENT OF AN ADDITIONAL TAX LEVY ON A CONTINUING BASIS FOR THE PURPOSE OF PROVIDING AND MAINTAINING FIRE APPARATUS, MECHANICAL RESUSCITATORS, UNDERWATER RESCUE AND RECOVERY EQUIPMENT, OR OTHER FIRE EQUIPMENT AND APPLIANCES, BUILDINGS AND SITES THEREFOR, OR SOURCES OF WATER SUPPLY AND MATERIALS THEREFOR, FOR THE ESTABLISHMENT AND MAINTENANCE OF LINES OF FIRE-ALARM COMMUNICATIONS, FOR THE PAYMENT OF FIREFIGHTING COMPANIES OR PERMANENT, PART-TIME, OR VOLUNTEER FIREFIGHTING, EMERGENCY MEDICAL

SERVICE, ADMINISTRATIVE, OR COMMUNICATIONS PERSONNEL TO OPERATE THE SAME, INCLUDING THE PAYMENT OF ANY EMPLOYER CONTRIBUTIONS REQUIRED FOR SUCH PERSONNEL UNDER SECTION 145.48 OR 742.34 OF THE REVISED CODE, FOR THE PURCHASE OF AMBULANCE EQUIPMENT, FOR THE PROVISION OF AMBULANCE, PARAMEDIC, OR OTHER EMERGENCY MEDICAL SERVICES OPERATED BY A FIRE DEPARTMENT OR FIREFIGHTING COMPANY, OR FOR THE PAYMENT OF OTHER RELATED COSTS) be placed on its second reading.

The Mayor asked if there were any questions on the motion. There being none, the Mayor directed the Clerk to call the roll on the motion. Members of Council voted as follows:

YEAS: Artino, Biddlecombe, Tapp, Claus, Harris, Dike (6)

NAYS: None (0)

There being a majority in favor, Resolution No. 92-2025 was placed upon its first reading. The Law Director read the Resolution by its title only.

Mr. Hamilton stated that as staff went back through the last couple years' budgets, it was clear that revenue sources are strapped and expenses just keep going up in the Fire Fund. The Finance Committee asked staff to look at all different alternates for bringing in different revenue sources to try to support different departments. This 1.5 mill continuing level for the Fire Department was one of the options brought up. This will bring in just over an estimated \$500,000/year to support our Fire Department. Once in place, this is a continuing levy, so whatever they make on year 1 they will continue to make through the life of this levy. This is the same as the continuing levy already in place (voted in 1999), and since that time, the City has received exactly the same amount of money every year for 25 years. Unfortunately, expenses have not stayed the same for 25 years, so at some point something had to give. Our Fire Department has done every it can do to try to make those dollars go as far as they can, but they can only be stretched so far. The last thing they want to do is go back to our residents and ask for more money, but with the run rates going up and our staff increasing to manage those increasing run rates, this is our only real option. How will this affect our residents? This will add roughly \$53/\$100,000 of house value. This will be for everyone that owns a house within the City limits. If passed at the next reading, this will allow us to put this on the ballot in the May election. The Township will also be doing a levy in May, as they are also struggling because they pay $\frac{1}{2}$ of our Fire Department expenses. They are also saying their revenue is static and their expenses are going up.

Mr. Artino clarified that the \$53/\$100,000 in value is PER YEAR.

Mr. Harris asked what the cost is to place this issue on the ballot. Mr. Hamilton answered that they do not know at this time, it depends how many issues are on the ballot. The usual rule of thumb is \$10,000 to put it on the ballot, but if there are multiple issues on the ballot, that cost goes down.

The Mayor asked if there were any questions. There were none.

New Business**Resolution No. 1-2026**

Motion by Mr. Biddlecombe that the three-reading rule be waived and Resolution No. 1-2026 (AN ANNUAL RESOLUTION EXPRESSING COUNCIL'S INTENT TO SELL PERSONAL PROPERTY DEEMED TO BE NO LONGER NEEDED FOR PUBLIC USE OR FOUND OBSOLETE OR UNFIT FOR THE USE FOR WHICH IT WAS ACQUIRED BY INTERNET AUCTION UTILIZING GOVDEALS, INC.) be placed on its first reading.

The Mayor asked if there were any questions on the motion. There being none, the Mayor directed the Clerk to call the roll on the motion. Members of Council voted as follows:

YEAS: Biddlecombe, Tapp, Claus, Harris, Dike, Artino (6)
NAYS: None (0)

There being five or more votes in favor, the three-reading rule was waived, and Resolution No. 1-2026 was placed upon its first reading. The Law Director read the Resolution by its title only.

Mr. Hamilton said that this is our yearly approval to use GovDeals to dispose of any unneeded or not-fit-for-use property. A perfect example will be our old ladder truck. There are a lot of guidelines they have to abide by when they dispose of equipment, and GovDeals is a preferred way to get rid of equipment. We don't make a lot of money from it – what tends to happen is we will sell it on GovDeals to other municipalities who are worse off than we are. The 12-year-old truck that we no longer use may be good for them. It works both ways.

The Mayor asked if there were further questions. There being none, the Mayor directed the Clerk to call the roll on final adoption. Members of Council voted as follows:

YEAS: Biddlecombe, Tapp, Claus, Harris, Dike, Artino (6)
NAYS: None (0)

There being a majority in favor, Resolution No. 1-2026 was adopted. The Resolution as adopted was signed by the Mayor and Clerk of Council and will take effect immediately.

Resolution No. 2-2026

Motion by Mr. Dike that the three-reading rule be waived and Resolution No. 2-2026 (A RESOLUTION OF NECESSITY RECOMMENDING AND APPROVING OF INSPECTIONS OF PROPERTIES CITY-WIDE IN ANTICIPATION OF ENFORCEMENT OF PROPERTY-RELATED ORDINANCES, THE INTERNATIONAL PROPERTY MAINTENANCE CODE, AND THE OHIO BUILDING CODE) be placed on its first reading.

The Mayor asked if there were any questions on the motion. There being none, the Mayor directed the Clerk to call the roll on the motion. Members of Council voted as follows:

YEAS: Dike, Artino, Biddlecombe, Tapp, Claus, Harris (6)
NAYS: None (0)

There being five or more votes in favor, the three-reading rule was waived, and Resolution No. 2-2026 was placed upon its first reading. The Law Director read the Resolution by its title only.

Mr. Hamilton said this is our yearly approval to allow them to do building and zoning inspections and to rectify any of those violations. It also allows them to certify any unrecouped costs onto the tax duplicate of any offending owners.

The Mayor asked if there were further questions. There being none, the Mayor directed the Clerk to call the roll on final adoption. Members of Council voted as follows:

YEAS: Dike, Artino, Biddlecombe, Tapp, Claus, Harris (6)

NAYS: None (0)

There being a majority in favor, Resolution No. 2-2026 was adopted. The Resolution as adopted was signed by the Mayor and Clerk of Council and will take effect immediately.

Resolution No. 3-2026

Motion by Mr. Artino that the three-reading rule be waived and Resolution No. 3-2026 (A RESOLUTION OF NECESSITY RECOMMENDING AND APPROVING INSPECTIONS OF PROPERTIES CITY-WIDE IN ANTICIPATION OF ENFORCEMENT OF SIDEWALK-RELATED ORDINANCES AND OHIO LAW RELATING TO SIDEWALKS) be placed on its first reading.

The Mayor asked if there were any questions on the motion. There being none, the Mayor directed the Clerk to call the roll on the motion. Members of Council voted as follows:

YEAS: Artino, Biddlecombe, Tapp, Claus, Harris, Dike (6)

NAYS: None (0)

There being five or more votes in favor, the three-reading rule was waived, and Resolution No. 3-2026 was placed upon its first reading. The Law Director read the Resolution by its title only.

Mr. Hamilton said he would be covering both Resolution Nos. 3-2026 and 4-2026. One relates to sidewalks and one relates to trees. This is the last district in our Sidewalk and Tree Maintenance Programs. This will complete the first pass through the City. District 1 covers roughly from First Street through to Rye Beach Road. This only covers public rights-of-way. He says this because this district coming up has a lot of private streets in it. We have no jurisdiction over private streets, so it is only public rights-of-way. This step allows the City to go out and inspect the sidewalks and trees for damage. This is just the first of several steps. Once the inspections have been completed, they send out a courtesy letter letting the resident know we have done the inspection and what needs to be rectified. A second inspection is conducted later in the year to give them some time to fix it themselves. After the second inspection, any properties that have not completed the required work will receive a certified violation letter telling them they have "X" amount of days to rectify the issue(s). If they do not rectify the issue(s), the City will put the job out to bid, the resident will be informed how much the work will cost, and the City will move forward with completing the work. The resident will have an opportunity to pay the amount due for the City's work, and if not paid, the final step will be to certify that amount to the tax duplicate so the City can reclaim its money. This will finish the first pass through the City's four districts. They will keep doing 1 zone per year from hereon.

They do not expect it to be much each year – the first year is usually the biggest one. They will continue to go 1 through 4 each year in a 4-year rotation.

The Mayor asked if there were further questions. There being none, the Mayor directed the Clerk to call the roll on final adoption. Members of Council voted as follows:

YEAS: **Artino, Biddlecombe, Tapp, Claus, Harris, Dike (6)**
NAYS: **None (0)**

There being a majority in favor, Resolution No. 3-2026 was adopted. The Resolution as adopted was signed by the Mayor and Clerk of Council and will take effect immediately.

Resolution No. 4-2026

Motion by Mr. Artino that the three-reading rule be waived and Resolution No. 4-2026 (A RESOLUTION OF NECESSITY RECOMMENDING AND APPROVING OF INSPECTIONS OF PROPERTIES CITY-WIDE IN ANTICIPATION OF ENFORCEMENT OF TREE-RELATED ORDINANCES AND OHIO LAW RELATING TO TREES) be placed on its first reading.

The Mayor asked if there were any questions on the motion. There being none, the Mayor directed the Clerk to call the roll on the motion. Members of Council voted as follows:

YEAS: **Artino, Biddlecombe, Tapp, Claus, Harris, Dike (6)**
NAYS: **None (0)**

There being five or more votes in favor, the three-reading rule was waived, and Resolution No. 4-2026 was placed upon its first reading. The Law Director read the Resolution by its title only.

The Mayor asked if there were further questions. There being none, the Mayor directed the Clerk to call the roll on final adoption. Members of Council voted as follows:

YEAS: **Artino, Biddlecombe, Tapp, Claus, Harris, Dike (6)**
NAYS: **None (0)**

There being a majority in favor, Resolution No. 4-2026 was adopted. The Resolution as adopted was signed by the Mayor and Clerk of Council and will take effect immediately.

Resolution No. 5-2026

Motion by Mr. Harris that the three-reading rule be waived and Resolution No. 5-2026 (A RESOLUTION CERTIFYING MOWING CHARGES TO THE ERIE COUNTY AUDITOR FOR COLLECTION) be placed on its first reading.

The Mayor asked if there were any questions on the motion. There being none, the Mayor directed the Clerk to call the roll on the motion. Members of Council voted as follows:

YEAS: **Harris, Dike, Artino, Biddlecombe, Tapp, Claus (6)**
NAYS: **None (0)**

There being five or more votes in favor, the three-reading rule was waived, and Resolution No. 5-2026 was placed upon its first reading. The Law Director read the Resolution by its title only.

Mr. Hamilton explained this is the final step in last year's approval of the previous item. They certify in September for all of the work completed, mainly mowing and yard work through that date, but they typically mowing through at least November, if not December. This is the last certification for the work completed in 2025. The total for the 5 properties is \$425.

The Mayor asked if there were further questions. There being none, the Mayor directed the Clerk to call the roll on final adoption. Members of Council voted as follows:

YEAS: **Harris, Dike, Artino, Biddlecombe, Tapp, Claus (6)**
NAYS: **None (0)**

There being a majority in favor, Resolution No. 5-2026 was adopted. The Resolution as adopted was signed by the Mayor and Clerk of Council and will take effect immediately.

Resolution No. 6-2026

Motion by Mr. Dike that the three-reading rule be waived and Resolution No. 6-2026 (A RESOLUTION AUTHORIZING THE FINANCE DIRECTOR AND/OR CITY MANAGER TO PARTICIPATE IN VARIOUS COOPERATIVE PURCHASING PROGRAMS FOR THE CALENDAR YEAR ENDING DECEMBER 31, 2026) be placed on its first reading.

The Mayor asked if there were any questions on the motion. There being none, the Mayor directed the Clerk to call the roll on the motion. Members of Council voted as follows:

YEAS: **Dike, Artino, Biddlecombe, Tapp, Claus, Harris (6)**
NAYS: **None (0)**

There being five or more votes in favor, the three-reading rule was waived, and Resolution No. 6-2026 was placed upon its first reading. The Law Director read the Resolution by its title only.

Mr. Hamilton stated that this is the yearly authorization to allow the staff to use cooperative purchasing programs – there are many of them, such as GSA and Ohio State Term. These programs put out bids for equipment, and they do the bidding process for municipalities. For example, if the City wants to buy a computer, instead of them going out and getting three quotes for the computer, they can go to one of the cooperative purchasing programs because they have already done that bidding for them. It allows governments to have a place where they know they can go and get already-bid pricing to save them doing it themselves. The City still does its own bidding often and uses these programs selectively. They have gotten really good pricing through these programs at times.

The Mayor asked if there were further questions. There being none, the Mayor directed the Clerk to call the roll on final adoption. Members of Council voted as follows:

YEAS: **Dike, Artino, Biddlecombe, Tapp, Claus, Harris (6)**
NAYS: **None (0)**

There being a majority in favor, Resolution No. 6-2026 was adopted. The Resolution as adopted was signed by the Mayor and Clerk of Council and will take effect immediately.

Resolution No. 7-2026

Motion by Mr. Artino that the three-reading rule be waived and Resolution No. 7-2026 (A RESOLUTION AUTHORIZING CHANGE ORDER NO. 1 FROM SMITH PAVING & EXCAVATING INC. FOR THE PROVISION OF PROFESSIONAL CONSTRUCTION SERVICES RELATED TO CITY OF HURON SIDEWALK MAINTENANCE PROGRAM (DISTRICT 2) IN THE AMOUNT OF TWO THOUSAND ONE HUNDRED FORTY-SEVEN AND 51/100 DOLLARS (\$2,147.51), BRINGING THE AGGREGATE AMOUNT OF THE CONTRACT TO THIRTY-TWO THOUSAND ONE HUNDRED FORTY-SEVEN AND 51/100 DOLLARS (\$32,147.51)) be placed on its first reading.

The Mayor asked if there were any questions on the motion. There being none, the Mayor directed the Clerk to call the roll on the motion. Members of Council voted as follows:

YEAS: Artino, Biddlecombe, Tapp, Claus, Harris, Dike (6)

NAYS: None (0)

There being five or more votes in favor, the three-reading rule was waived, and Resolution No. 7-2026 was placed upon its first reading. The Law Director read the Resolution by its title only.

Mr. Hamilton said as we did the District 2 sidewalks bid, the bid came back at \$30,000. When they do the inspections, some sidewalk slabs are designated as needing grinding, but when you actually go in to start doing the work, those slabs cannot be ground because the slabs are not what they were thought to be (too thin, crumble, etc.). This is a change in materials. The cost of the grind is removed and the addition of the materials to replace the slabs instead of grinding them.

Mr. Claus asked if there is a contingency built into the bid similar to what we do for projects? Mr. Hamilton answered no, because we have to send letters out to the residents with the actual cost of how much it will be. Mr. Claus said if a resident was originally quoted that they need to be ground and it ends up being replaced, how are they advised. Mr. Hamilton said they will see the final cost when the final invoice is sent. The City will not have to eat the change order amount.

The Mayor asked if there were further questions. There being none, the Mayor directed the Clerk to call the roll on final adoption. Members of Council voted as follows:

YEAS: Artino, Biddlecombe, Tapp, Claus, Harris, Dike (6)

NAYS: None (0)

There being a majority in favor, Resolution No. 7-2026 was adopted. The Resolution as adopted was signed by the Mayor and Clerk of Council and will take effect immediately.

City Manager's Discussion

The City Manager spoke on several topics:

ConAgra Development – The developer requested the second and last available due diligence extension period. This is a 60-day extension period ending on March 3, 2026. At that point, the developer will have to decide if they want to cut and run, or stay. We will keep you posted as that moves along.

Utilities Committee – We still have an opening on the Utilities Committee. If anyone is interested in helping and serving on this committee, I try to reiterate that this is really important committee. You really do help us go through all of our streets, water, and electric. It may not sound the most exciting to people when I say this, but once you get on this committee, it is a lot of fun and you actually dig into a lot of city processes. Anyone who is interested, please reach out to Terri Welkener at 419-433-5000, ext. 1102.

East Side Sidewalks/Route 13 Crosswalks – Both of these projects have been completed. We have scheduled a final walkthrough with ODOT this coming Friday. Hopefully, they won't find anything else wrong with these projects so that we can close them down.

US 6 Phase II Project – We issued an Addendum on that project to clarify some phasing issues and dates on closures, as well as clarifications questions and answers. Therefore, the bid due date has been extended to January 29, 2026.

Ice Rink – It looks like Mother Nature is going to help us out on this. We have a cold snap coming and the water might finally freeze before it thaws again. Please follow our social media to find out the most up-to-date information on whether it is open, closed, melted, swimming pool... please keep an eye on that and come out and enjoy it while it's there.

Safety Services – The Police Department hires Officer Devin Woods, who started this week as a new full-time Patrol Officer to replace retired Officer Lobsinger. Officer Woods came from Port Clinton with over 7 years of experience. He comes with a bachelor's degree in Homeland Security and Terrorism from Tiffin University and is a wealth of experience and knowledge, including being a certified Marine Patrol Officer. He will be sworn in at the next Council meeting. We are excited to have him with us.

Red Kettle Volunteers – The Police Department, once again and as always, participated in the Red Kettle Volunteers, as did I and some Council members. The officers managed to ring the bell and pull in over \$11,000, which is pretty impressive.

Income Tax – Through December, income tax receipts outperformed 2024 by 4% and 2025 budget by 3%. As of the end of the year, our income tax receipts were just over \$4.3 million.

Upcoming Meetings – We have a Planning Commission meeting on Wednesday, January 21st at 5pm in Council Chambers; and Council meeting on Tuesday, January 27th at 6:30pm in Council Chambers.

REMINDER: City administration offices will be closed on Monday, January 19th in observation of Martin Luther King, Jr. Day.

Mr. Dike asked how much usage the ice rink gets. Mr. Steinwart answered that usage varies. They mostly see usage on weekends. It's slower on the weekdays during school hours. You will see families out there, but it is hard to get to in the winter because you can't get there by bike.

Mr. Dike asked what happens at the end of the 60-day extension give to the developer on ConAgra. Mr. Hamilton answered that if they do not proceed, the sales agreement states that if at the end of the second extension they decide not to close, that agreement becomes null and void. For all intents and purposes, the site will stay as-is.

Mr. Dike said he was the Donut Shop and was approached by Mr. Jeff Skaggs. His wife asked him why is Firelands Scientific allowed to shine the bright lights at night. He remembers several years ago individuals asking us to do something about Mucci Farms. Why are they not held to the same standards? Mr. Hamilton answered that there is a difference between industrial and commercial greenhouses and how light pollution is governed. Mucci is an industrial greenhouse, and they are held to a much higher standard, while Firelands Scientific is classed as a commercial greenhouse and their coverage percentage is nowhere near as strict as it is for the industrial. Mr. Hamilton said the City has not received any complaints. Unfortunately, there have been plenty of mentions on social media, but that doesn't give the City authority to do anything. We actually need people to complain to us. I want to make sure the residents understand that if you do complain to us, we do go out and talk to the businesses, and a lot of the businesses are good partners. They will look at what's going on and if they can fix it, they will. However, it does cost a lot of money to contain light. A lot of the light pollution is weather-dependent – this is what we have found with Mucci, as well, over the years. When the clouds are low, when it is snowy or foggy, it really accentuates any light coming out. If you do have complaints, please don't think because you post those complaints on social media that it is a complaint – we cannot act on those. Please reach out to the City to complain, and not just about this, but about other stuff. Yes, we do monitor social media, but we cannot act on complaints on social media.

Mayor's Discussion

Mayor Tapp said:

We are looking for someone for both the Utilities Committee and the Huron Joint Port Authority. You can get a hold of me or the City if you are interest. Welcome to Devin Woods – it sounds like he has quite the background – he cannot keep up with the new hires. I want to thank Chief McGraw – he has been busy this past week or so, he started on January 5th. He has received no complaints. I hope everybody had a wonderful Christmas and a safe New Year.

For the Good of the Order

Sam Artino – I would like to welcome our new officer and I am glad to see everybody here for the New Year.

Mark Claus – I would like to welcome Devin Woods and new Fire Chief McGraw – I wasn't at the last meeting, so congratulations and good luck and we look forward to many good things. We've got the men in black in the back there, so we are all ready to go. Happy New Year everybody, and we have a good year coming ahead.

Tom Harris – I have a few small things. I had a complaint that I wanted to bring to your attention from Mr. Dunlap concerning e-bikes on the sidewalks. Maybe Chief Graham could look at that – I don't know if there is anything we can do about it. He said he was coming up to one of the intersections and a bike

came flying across the crosswalk from the sidewalk at about 20mph and scared the heck out of him. I actually had something happen to me yesterday – kid was on the sidewalk going about 20mph, came off the sidewalk at a driveway into the street – I swear to God I thought he was a dead kid, but he turned at the last second. I drive a truck, and that would have been the end of him. There was no stopping. I don't know if there is anything we can do, but it's the second time someone has brought it to my attention and I have also had the issue myself. This is something you guys can look into. Congratulations to Devin Woods – welcome to Huron. I have done a lot of grinding on concrete, and these grinds that are bad – it does happen. I just wanted to put it out there – you don't know until you get to it.

Joe Dike – I would also like to welcome Devin Woods. Congratulations, Chief McGraw. I would also like to introduce Mike Trabel from Trabel's Bagels, and also Patty and Dave Roming. Thank you for coming in – if you want to be on the Utilities Committee or Port Authority, we've got opportunities here! Thank you, Mike, for coming too.

William Biddlecombe – Happy New Year, everybody. Thank you, staff, for all your hard work. Some takeaways from the last School Board meeting. They had their organizational meeting, so they did select Stacy Hartley as the Board President, Chris Rager was selected as the Vice-President and they passed their 2026 Tax Budget. They also voted to join the Coalition of Rural and Appalachian Schools, and then they voted to end their livestreaming of the meetings, but they will still record them and post them later on YouTube. The next meeting will be on Monday, February 23rd. I would like to congratulate Grant Bauer – he was nominated by John Husted to the US Air Force Academy. I would also like to congratulate Hayden Holmes and Addie Hoffman – they were both SBC Dive Champions.

Home games coming up: Bowling on January 14th and 21st, Wrestling on January 21st, Boys Basketball on January 20th. Please come out and support our local events, programs, student athletes and GO TIGERS!

Executive Session

None.

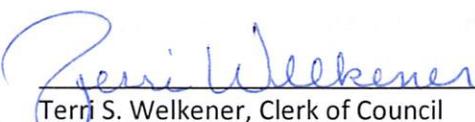

Adjournment

Motion by Mr. Biddlecombe to adjourn the regular meeting of Council.

The Mayor asked if there were any questions on the motion. There being none, the Mayor directed the Clerk to call the roll on the motion. Members of Council voted as follows:

YEAS: Biddlecombe, Harris, Dike, Artino, Tapp, Claus (6)
NAYS: None (0)

There being a majority in favor of the motion, the regular Council meeting of January 13, 2026, was adjourned at 7:03pm.

Terri S. Welkener, Clerk of Council

Adopted: 27 JAN 2026
