IV.a Resolution No. 49-2026 (*submitted by Stuart Hamilton*)

A resolution awarding the bid and authorizing an agreement with D. L. Smith Concrete, LLC for construction services relating to the South Main Street Streetscape Project (ERI-Huron Main Street; PID 118507) in the amount of \$2,154,476.01.

V. Adjournment

TO: Mayor Tapp and City Council
FROM: Stuart Hamilton , Service Director
RE: Resolution No. 49-2026 (*submitted by Stuart Hamilton*)
DATE: June 4, 2026

Subject Matter/Background

As a reminder, this project received \$427,410 in grant funding from ODOT, and in order to preserve that funding, it is necessary to award the bid for the South Main Street Streetscape Project prior to the next regularly scheduled Council meeting.

We also received \$360,025 from ERPC MPO.

The costs below are construction costs only. There will be CI/CA costs above this. Per the bid evaluation letter received from OHM Advisors, a copy of which is attached hereto as Exhibit 1:

Engineer's Estimate: The Engineer's Official Estimate of Probable Cost for this Project is \$2,207,739.75.

Bids Received: The Engineer (OHM Advisors) has reviewed all bids and hereby provides the following list of Bidders and bid prices:

D. L. Smith Concrete, LLC \$2,154,476.01

Smith Paving & Excavating, Inc. \$2,305,333.75

Bid Summary: Upon review of references, equipment, materials, suppliers, subcontractors, and all documents submitted as required by the bid documents, the following is the lowest responsive and responsible bidder: DL Smith \$2,154,476.01.

Financial Review

Net of grant funding this project will cost the City around \$1.5M which would be debt funded. The new debt would be direct placement rather than publicly bonded to save on costs of issuance. Considering the cost of the project, the interest rate savings of a bond would not offset the cost to prepare and deliver a public sale issuance. The new debt would range between \$115K to \$140K annual payment depending on a 15-year or 20-year amortization, with an expected interest rate around 4.5%.

Legal Review

The matter has been reviewed, follows normal administrative procedure and is properly before you.

Recommendation

If Council is in agreement with the request, a motion adopting Resolution No. 49-2026 is in order.
