**CONTINUING SERVICES AGREEMENT
BETWEEN
CITY OF HURON, OHIO
AND
OHM ADVISORS
FOR
PROFESSIONAL SERVICES**

THIS IS AN AGREEMENT made as of 2/1/2021, between the City of Huron, Ohio with its office located at 417 Main Street, Huron, OH 44839 (CLIENT) and Orchard, Hiltz & McCliment, Inc., dba OHM Advisors, a Michigan corporation with its main office located at 34000 Plymouth Road, Livonia, MI 48150 (CONSULTANT). CLIENT intends to engage CONSULTANT to provide professional services for Municipal Engineering Services, General Engineering Services, Professional Services (Public Projects) and Private Sector Development Services. This Agreement sets forth the terms and conditions which shall govern the relationship and performance of CLIENT and CONSULTANT for professional services. Engagements for General Engineering Services and Professional Services (Public Projects) will be documented by an individual Project Supplement.

CLIENT and CONSULTANT in consideration of their mutual covenants as set forth herein agree as follows:

ARTICLE 1 – SERVICES OF CONSULTANT

1.01 Scope

A. The services to be provided by CONSULTANT are set forth in Exhibit A, “Schedule of Consultant Services,” and as provided herein.

B. Municipal Engineering Services shall be provided by Consultant, inclusive of the services of a Professional Engineer registered in the State of Ohio and an Engineering Representative for the purpose of handling the Engineer duties per CLIENT’s ordinance and details in Exhibit A.

C. General Engineering Services and Professional Services (Public Projects) for specific tasks or a Specific Project will be detailed in a duly executed individual Project Supplement. Each Project Supplement will indicate the specific tasks and functions to be performed and deliverables to be provided.

1. The general format of a Project Supplement is shown in Attachment 1 to Exhibit A.

2. This Agreement is not a commitment by CLIENT to CONSULTANT to issue any Project Supplements.

3. CONSULTANT shall not be obligated to perform any prospective Project Supplement unless and until CLIENT and CONSULTANT agree as to the particulars of the Specific Project, CONSULTANT’S services, CONSULTANT’S compensation, and all other appropriate matters.

D. Private Sector Development Services involve CONSULTANT providing plan review and construction inspection for private developments within the CLIENT boundaries.

E. CONSULTANT personnel assigned to work with CLIENT on engineering-related services shall maintain

familiarity and competence relating to the Charter, relevant Ordinances, and procedures established by CLIENT.

1.02 Project Supplement Procedure

A. CLIENT and CONSULTANT shall agree on the scope, time for performance, and basis of compensation for each Project Supplement.

B. CLIENT approval of a Project Supplement will follow its authorized purchasing guidelines.

C. CONSULTANT will commence performance as set forth in the Project Supplement.

ARTICLE 2 – CLIENT’S RESPONSIBILITIES

2.01 General

CLIENT shall have the responsibilities set forth herein, in Exhibit B, “Schedule of Client’s Responsibilities,” and in each Project Supplement.

ARTICLE 3 – TERM; TIMES FOR RENDERING SERVICES; SUSPENSION

3.01 Term

A. This Agreement shall be effective and applicable to Project Supplements issued hereunder until the close of business (Eastern Standard Time) on December 31, 2022.

B. This Agreement may be extended or renewed, with or without changes, by written amendment establishing a new term.

3.02 Times for Rendering Services

A. The times for performing services or providing deliverables will be stated in each Project Supplement. If no

times are so stated, CONSULTANT will perform services and provide deliverables within a reasonable time.

B. For purposes of this Agreement, the term "day" means a calendar day of 24 hours.

C. The time for a party's performance will be extended to the extent performance was delayed by causes beyond the control and without the fault of the party seeking the extension. That party shall promptly notify the other party in writing and, when practicable, in advance of when it is being delayed.

3.03 Suspension

A. If CLIENT fails to give prompt written authorization to proceed with any phase of services after completion of the immediately preceding phase under a Project Supplement, or if CONSULTANT'S services are delayed through no fault of CONSULTANT, CONSULTANT may, after giving seven days written notice to CLIENT, suspend services under the individual Project Supplement.

B. If CONSULTANT'S services under a Project Supplement are delayed or suspended in whole or in part by CLIENT, or if CONSULTANT'S services under an individual Project Supplement are extended by a Contractor's actions or inactions for more than 90 days through no fault of CONSULTANT, CONSULTANT shall be entitled to equitable adjustment of rates and amounts of compensation provided for elsewhere in this Agreement to reflect incremental costs incurred by CONSULTANT in connection with, among other things, such delay or suspension and reactivation and the fact that the time for performance under the individual Project Supplement has been revised.

ARTICLE 4 – PAYMENTS TO CONSULTANT

4.01 Payment for Services and Reimbursable Expenses of CONSULTANT

CLIENT shall pay CONSULTANT as set forth in Exhibit A, Exhibit C, or in each individual Project Supplement.

4.02 Other Payment Provisions

A. *Preparation of Invoices.* Invoices for monthly services and for each individual Project Supplement will be prepared in accordance with CONSULTANT'S standard invoicing practices and will be submitted to CLIENT by CONSULTANT monthly, unless otherwise agreed. The amount billed in each invoice will be calculated as set forth in Exhibit A, Exhibit C, "Payments to Consultant for Services and Reimbursable Expenses," or each individual Project Supplement.

B. *Payment of Invoices.* Invoices are due and payable within 30 days of receipt. If CLIENT fails to make any payments due CONSULTANT for services and expenses within 30 days after receipt of CONSULTANT'S invoice, the amounts due CONSULTANT will be increased at the rate of 1.0 percent per month (or the maximum rate of interest permitted by law, if less) from said 30th day.

C. *Disputed Invoices.* In the event of a disputed or contested invoice, only that portion so contested may be withheld from payment, and the undisputed portion will be paid.

D. Payments Upon Termination.

1. In the event of any termination under paragraph 6.06, CONSULTANT will be entitled to invoice CLIENT and will be paid in accordance with each monthly task or individual Project Supplement for all services performed or furnished and all reimbursable expenses incurred through the effective date of termination.

2. In the event of termination by CLIENT for convenience or by CONSULTANT for cause, CONSULTANT, in addition to invoicing for those items identified in subparagraph 4.02.D.1, shall be entitled to invoice CLIENT for the reasonable value of work performed up to and including the date of termination of the Agreement, regardless of cause.

E. *Records of CONSULTANT'S Costs.* Records of CONSULTANT'S costs pertinent to CONSULTANT'S compensation under this Agreement shall be kept in accordance with generally accepted accounting practices. To the extent necessary to verify CONSULTANT'S charges and upon CLIENT'S timely request, copies of such records will be made available to CLIENT at cost.

F. *Legislative Actions.* In the event of legislative actions after the Effective Date of the Agreement (or an individual Project Supplement) by any level of government that impose taxes, fees, or costs on CONSULTANT'S services or other costs in connection with this Project or compensation thereof, such new taxes, fees, or costs shall be invoiced to and paid by CLIENT as a Reimbursable Expense to which a Factor of 1.0 shall be applied. Should such taxes, fees or costs be imposed, they shall be in addition to CONSULTANT'S estimated total compensation.

ARTICLE 5 – OPINIONS OF COST

5.01 Opinions of Probable Construction Cost

CONSULTANT'S opinions of probable Construction Cost (if any) are to be made on the basis of CONSULTANT'S experience and qualifications and represent CONSULTANT'S best judgment as an experienced and qualified professional generally familiar with the industry. However, since the CONSULTANT has no control over the cost of labor, materials, equipment, or services furnished by others, or over a Contractor's methods of determining prices, or over competitive bidding or market conditions, CONSULTANT cannot and does not guarantee that proposals, bids or actual Construction Cost will not vary from opinions of probable Construction Cost prepared by CONSULTANT. If CLIENT wishes greater assurance as to probable Construction Cost, CLIENT shall employ an independent cost estimator as provided in Exhibit B.

5.02 Opinions of Total Project Costs

CONSULTANT will use its best efforts to provide reasonable opinions of Total Project Costs. However, since the CONSULTANT has no control over the cost of land, rights-of-way, compensation for damages to properties, CLIENT'S costs for legal, accounting, insurance, counseling or auditing services, interest or finance charges incurred, and costs of services provided by others to CLIENT, and CONSULTANT is limited on Opinions of Probable Construction Costs per 5.01, CONSULTANT cannot and does not guarantee that actual Total Project Costs will not vary from opinions of Total Project Costs prepared by CONSULTANT.

ARTICLE 6 – GENERAL CONSIDERATIONS

6.01 Standards and Parameters of Performance

A. The standard of care for all professional consulting and related services performed or furnished by CONSULTANT in this Agreement will be the standard of care and skill ordinarily used by members of CONSULTANT'S profession practicing under similar circumstances at the same time and in the same locality.

B. CONSULTANT shall be responsible for the technical accuracy of its services and documents resulting there from in conformance with the standards set forth in this Section 6.01, and CLIENT shall not be responsible for discovering deficiencies therein. CONSULTANT shall promptly correct such deficiencies at CONSULTANT's cost and without additional compensation except to the extent such action is directly attributable to deficiencies in CLIENT-furnished information.

C. CONSULTANT shall serve as CLIENT'S prime professional under each individual Project Supplement. CONSULTANT may employ such subconsultants as CONSULTANT deems necessary to assist in the performance or furnishing of the services upon prior written notice and written approval of CLIENT, whose approval shall not be unreasonably withheld. CONSULTANT shall not be required to employ any subconsultant unacceptable to CONSULTANT.

D. CONSULTANT and CLIENT shall comply with applicable laws or regulations and CLIENT-mandated standards. This Agreement is based on these requirements as of the effective date of each task or individual Project Supplement. Changes to these requirements after the effective date of each task or individual Project Supplement may be the basis for modifications to CLIENT'S responsibilities or to CONSULTANT'S scope of services, times of performance, or compensation.

E. CLIENT shall be responsible for, and CONSULTANT may rely upon, the accuracy and completeness of all requirements, programs, instructions, reports, data, and other information furnished by CLIENT to CONSULTANT pursuant to this Agreement. CONSULTANT may use such requirements, reports, data, and information in performing or furnishing services under this Agreement.

F. CLIENT shall make decisions and carry out its other responsibilities in a timely manner and in accordance with requirements of CLIENT's Charter and related Ordinances, and CLIENT shall bear all costs incident thereto so as not to delay the services of the CONSULTANT.

G. Prior to the commencement of the Construction Phase on a Specific Project, CLIENT shall notify CONSULTANT of any variations or any other notice or certification that CONSULTANT will be requested to provide to CLIENT or third parties in connection with a Specific Project. CLIENT and CONSULTANT shall reach agreement on the terms of any such requested notice or certification, and CLIENT shall authorize such Additional Services as are necessary to enable CONSULTANT to provide notices or certifications requested.

H. If a Construction Cost limit for a Specific Project is established between CLIENT and CONSULTANT, such Construction Cost limit and a statement of CONSULTANT'S rights and responsibilities with respect thereto will be specifically as set forth in this Agreement and the individual Project Supplement.

I. CONSULTANT shall not be required to sign any documents, no matter by whom requested, that would result in CONSULTANT having to certify, guarantee or warrant the existence of conditions whose existence CONSULTANT cannot ascertain within its services for that specific project. CLIENT agrees not to make resolution of any dispute with CONSULTANT or payment of any amount due to the CONSULTANT in any way contingent upon CONSULTANT signing any such certification.

J. If CONSULTANT provides services during the construction phase of a specific project, CONSULTANT shall not supervise, direct, or have control over a Contractor's work, nor shall CONSULTANT have authority over or responsibility for the means, methods, techniques, sequences, or procedures of construction selected by a Contractor, for safety precautions and programs incident to a Contractor's work in progress, nor for any failure of a Contractor to comply with laws and regulations applicable to a Contractor's furnishing and performing the work. To the extent Consultant is hired for construction management or construction supervision purposes, (a) CLIENT acknowledges and agrees that CONSULTANT shall have no authority over or responsibility for the means, methods, techniques, sequences, or procedures of construction selected by a Contractor, for safety precautions and programs incident to a Contractor's work in progress, nor for any failure of a Contractor to comply with laws and regulations applicable to a Contractor's furnishing and performing the work; and (b) a separate Project and scope of services shall be entered into by and between the parties, which scope of services shall govern in the event of any conflict between said scope of services and this Agreement.

K. CONSULTANT neither guarantees the performance of any Contractor nor assumes responsibility for any Contractor's failure to furnish and perform the work in accordance with the contract documents. Notwithstanding

the foregoing, to the extent Consultant is hired for construction management or construction supervision purposes CONSULTANT shall use its best efforts to bring matters to the attention of the CLIENT in the event CONSULTANT observes Construction activity that may be in contravention of the construction drawings, specifications and/or duties assigned to Contractor.

L. CONSULTANT shall not be responsible for the acts or omissions of any Contractor(s), subcontractor or supplier, or of any of a Contractor's agents or employees or any other persons (except CONSULTANT'S own employees) at a site or otherwise furnishing or performing any of a Contractor's work; or for any decision made on interpretations or clarifications of the contract documents given by CLIENT without consultation and advice of CONSULTANT. Notwithstanding the foregoing, to the extent Consultant is hired for construction management or construction supervision purposes CONSULTANT shall use its best efforts to bring matters to the attention of the CLIENT in the event CONSULTANT observes Construction activity that may be in contravention of the construction drawings, specifications and/or duties assigned to Contractor,

M. The General Conditions for any construction contract documents prepared hereunder are to be the "Standard General Conditions of the Construction Contract" as prepared by the Engineers Joint Contract Documents Committee (Document No. C700, 2002) or ODOT General Provisions (Section 100), unless both parties mutually agree to use other General Conditions.

N. Notwithstanding any contrary provision of this Agreement, CLIENT shall be reasonably permitted to object to, and request replacement of, CONSULTANT's assigned staff in the event circumstances warrant and provided CLIENT notifies CONSULTANT in writing of specified facts or outcomes that are not consistent with CLIENT's expectations prior to requesting further action by CONSULTANT.

6.02 Authorized Project Representatives

Contemporaneous with the execution of this Agreement for monthly services and then each individual Project Supplement, CONSULTANT and CLIENT shall designate specific individuals to act as CONSULTANT'S and CLIENT'S representatives with respect to the services to be performed or furnished by CONSULTANT and responsibilities of CLIENT for monthly services and under the individual Project Supplement. Such individuals shall have authority to transmit instructions, receive information, and render decisions relative to a specific project on behalf of each respective party.

6.03 Design without Construction Phase Services

It is understood and agreed that if CONSULTANT'S basic services under an individual Project Supplement do not include project observation, or a review of a Contractor's performance, or any other Construction Phase services, and that such services will be provided by CLIENT or others,

then CLIENT assumes all responsibility for interpretation of the contract documents and for construction observation or review and waives any claims against CONSULTANT that may be in any way connected thereto. In such a case, CONSULTANT'S basic services under the applicable individual Project Supplement will be considered completed upon completion of the Final Design Phase or Bidding Phase as outlined in Exhibit A and the individual Project Supplement.

6.04 Use of Documents

A. Upon completion or termination of this Agreement, all documents prepared by the CONSULTANT, including tracings, drawings, estimates, specification, field notes, investigations, copies of computer files and drawings, studies and reports shall become the property of and be delivered to the CLIENT. Copies of CLIENT-furnished data that may be relied upon by CONSULTANT are limited to the printed copies (also known as hard copies) that are delivered to CONSULTANT pursuant to Exhibit B. Files in electronic media format of text, data, graphics, or of other types that are furnished by CLIENT to CONSULTANT are only for convenience of CONSULTANT. Any conclusion or information obtained or derived from such electronic files will be at the user's sole risk. Copies of Documents that may be relied upon by CLIENT are limited to the printed copies (also known as hard copies) that are signed or sealed by CONSULTANT. Files in electronic media format of text, data, graphics, or of other types that are furnished by CONSULTANT to CLIENT are only for convenience of CLIENT. Any conclusion or information obtained or derived from such electronic files will be at the user's sole risk.

B. Because data stored in electronic media format can deteriorate or be modified inadvertently or otherwise without authorization of the data's creator, the party receiving electronic files agrees that it will perform acceptance tests or procedures within 30 days, after which the receiving party shall be deemed to have accepted the data thus transferred. Any errors detected within the 30-day acceptance period will be corrected by the party delivering the electronic files. CONSULTANT shall not be responsible to maintain documents stored in electronic media format after acceptance by CLIENT.

C. When transferring documents in electronic media format, CONSULTANT makes no representations as to compatibility, usability, or readability of documents resulting from the use of software application packages, operating systems, or computer hardware differing from those used by CONSULTANT at the beginning of a Specific Project.

D. CLIENT may make and retain copies of Documents for information and reference in connection with use on a Specific Project by CLIENT. Such Documents are not intended or represented to be suitable for reuse by CLIENT or others on extensions of the Specific Project for which they were prepared or on any other project. Any such reuse or modification without written verification or adaptation by CONSULTANT, as appropriate for the specific purpose

intended, will be at CLIENT'S sole risk and without liability or legal exposure to CONSULTANT or to CONSULTANT'S subconsultants. CLIENT shall indemnify and hold harmless CONSULTANT and CONSULTANT'S subconsultants from all claims, damages, losses, and expenses, including attorneys' fees arising out of or resulting there from.

E. If there is a discrepancy between the electronic files and the hard copies, the hard copies govern.

F. Any verification of adaptation of the Documents for extensions of the Specific Project for which they were prepared or for any other project will entitle the CONSULTANT to further compensation at rates to be agreed upon by CLIENT and CONSULTANT.

6.05 Insurance

A. CONSULTANT shall procure and maintain insurance as set forth in Exhibit D, "Insurance."

B. CLIENT shall require Contractors to purchase and maintain general liability and other insurance as specified in the Contract Documents and to cause CONSULTANT and CONSULTANT'S subconsultants to be listed as additional insureds with respect to such liability and other insurance purchased and maintained by Contractor for a Specific Project.

C. All policies of property insurance shall contain provisions to the effect that CONSULTANT and CONSULTANT'S subconsultants interests are covered and that in the event of payment of any loss or damage the insurers will have no rights of recovery against any of the insureds or additional insureds thereunder.

D. At any time, CLIENT may request that CONSULTANT, at CLIENT'S sole expense, provide additional insurance coverage, increased limits, or revised deductibles that are more protective than those specified in Exhibit D. If so requested by CLIENT, with the concurrence of CONSULTANT, and if commercially available, CONSULTANT shall obtain and shall require CONSULTANT'S subconsultants to obtain such additional insurance coverage, different limits, or revised deductibles for such periods of time as requested by CLIENT, and Exhibit D will be amended to incorporate these requirements.

E. CONSULTANT and CLIENT shall each procure an appropriate clause in, or endorsement on, any fire or extended coverage insurance covering any and all projects, as well as personal property, fixtures and equipment located thereon or therein, pursuant to which the parties' respective insurance companies waive subrogation or consent to a waiver of right of recovery against the other party, and each party hereby agrees that it will not make any claim against or seek to recover from the other Party for any loss or damage to its property or the property of others resulting from fire or other hazards covered by such fire and extended coverage insurance.

6.06 Termination

The obligation to provide further services under this Agreement or any individual Project Supplement may be terminated:

A. *For cause,*

1. By either party upon 90 days written notice in the event of substantial failure by the other party to perform in accordance with the terms of this Agreement or any individual Project Supplement here under through no fault of the terminating party.

2. - By CONSULTANT:

a) upon seven (7) days written notice if CONSULTANT believes that CONSULTANT is being requested by CLIENT to furnish or perform services contrary to CONSULTANT'S responsibilities as a licensed professional; or

b) upon seven (7) days written notice if CONSULTANT'S services under an individual Project Supplement are delayed or suspended for more than 90 days for reasons beyond CONSULTANT'S control.

c) CONSULTANT shall have no liability to CLIENT on account of such termination under Section 6.06 A.. 2. a) and b).

3. By CLIENT:

a) upon seven (7) days written notice if CLIENT believes that CONSULTANT is furnishing or performing services not authorized or that are contrary to CONSULTANT'S responsibilities as a licensed professional; or

b) upon seven (7) days written if CONSULTANT'S services under an individual Project Supplement are delayed for more than 90 days for reasons within CONSULTANT'S control.

c) CLIENT shall have no liability to CONSULTANT, beyond payment as outlined in Article 4, on account of such termination under Section 6.06 A. 3.a) and b)

4. Notwithstanding the foregoing, neither this Agreement nor any individual Project Supplement will terminate as a result of such substantial failure if the party receiving such notice begins, within seven days of receipt of such notice, to correct its failure to perform and proceeds diligently to cure such failure within no more than 30 days of receipt thereof; provided, however, that if and to the extent such substantial failure cannot be reasonably cured within such 30 day period, and if such party has diligently attempted to cure the same and thereafter continues diligently to cure the same, then the cure period provided for herein shall extend up to, but in no case more than, 60 days after date of receipt of the notice.

B. *For convenience,*

1. By CLIENT effective upon CONSULTANT'S receipt of written notice by CLIENT.

C. The terminating party under paragraphs 6.06. A. or 6.06..B. may set the effective date of termination of this Agreement or any individual Project Supplement at a time up to 90 days later than otherwise provided to allow CONSULTANT to demobilize personnel and equipment, to complete tasks whose value would otherwise be lost, to prepare notes as to the status of completed and uncompleted tasks, and to assemble materials in orderly files.

6.07 Controlling Law

This Agreement is to be governed by the law of the State of Ohio. Subject to the provisions of Section 6.10, below, any and all disputes arising from the enforcement or interpretation of this Agreement shall be exclusively venued in the State Courts of Erie County, Ohio.

6.08 Nondiscrimination and Affirmative Action

The CONSULTANT agrees to take affirmative action to assure that applicants are employed, and the employees are treated during employment in a manner, which provides equal employment opportunity and eliminates any inequality based upon race, national origin, gender, sexual orientation, religion, disability, height, weight, marital status, or veteran status.

6.09 Successors, Assigns, and Beneficiaries

A. CLIENT and CONSULTANT each is hereby bound and the partners, successors, executors, administrators and legal representatives of CLIENT and CONSULTANT (and to the extent permitted by paragraph 6.09.B the assigns of CLIENT and CONSULTANT) are hereby bound to the other party to this Agreement and to the partners, successors, executors, administrators and legal representatives (and said assigns) of such other party, in respect of all covenants, agreements and obligations of this Agreement.

B. Neither CLIENT nor CONSULTANT may assign, sublet, or transfer any rights under or interest (including, but without limitation, moneys that are due or may become due) in this Agreement without the written consent of the other, except to the extent that any assignment, subletting, or transfer is mandated or restricted by law. Unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under this Agreement.

C. Unless expressly provided otherwise in this Agreement:

- 1) Nothing in this Agreement shall be construed to create, impose, or give rise to any duty owed by CLIENT or CONSULTANT to any Contractor, Contractor's subcontractor, supplier, other individual entity, or to any surety for or employee of any of them.
- 2) All duties and responsibilities undertaken pursuant to this Agreement will be for the sole and exclusive benefit of CLIENT and CONSULTANT and not for the benefit of any other party. The CLIENT agrees that the substance of the provisions of this paragraph, 6.09.C, shall appear in

any Contract Documents prepared for any Specific Project under this Agreement.

6.10 Dispute Resolution

CLIENT and CONSULTANT agree that if a dispute between the Parties arises out of or relates to this agreement, the Parties will attempt to settle the dispute through good faith negotiations. The Parties shall meet within five (5) business days after such dispute arises to commence resolution of the dispute. If within twenty (20) business days of commencement of negotiations the direct negotiations do not resolve the dispute, the Parties agree to settle the dispute utilizing the following procedures:

A. Mediation

1. CONSULTANT and CLIENT shall jointly consult with Attorney David Schaefer, of the firm McCarthy, Lebit, Crystal & Liffman (or any other neutral mediator mutually agreeable to the Parties) whom shall serve as informal mediator of the dispute. The Parties agree to provide Mediation Position Statements to the mediator and each other at least 48 hours prior to the scheduled mediation. The mediation meeting and an agreement of the parties shall be arrived at as expeditiously as possible under the circumstances.
2. The costs of the mediation service shall be borne equally by the Parties.

B. Arbitration

1. If the dispute is not resolved by mutual agreement of the Parties within twenty (20) business days after the first mediation meeting, the Parties agree to settle via arbitration.
2. The Parties shall each select a neutral, unbiased arbitrator within five (5) business days thereafter to hear the dispute. The two (2) selected arbitrators shall then have an additional five (5) business days to agree upon, and select, a neutral and unbiased third arbitrator. Within twenty-five (25) business days of selection of the third arbitrator, the Parties shall submit the then-pending dispute to the established three (3) arbitrator panel, which arbitration shall occur at the time and place designated by the arbitration panel.
3. The decision of the arbitration panel shall be arrived at as expeditiously as possible under the circumstances, and the decision shall not be delayed by the failure or refusal of either Party to present their argument on the then-existing dispute at the place and time designated by the arbitration panel.
4. The decision of the arbitration panel shall be final and binding, and the only remedies available to the Parties shall be limited to those remedies identified in this Agreement.
5. The costs of the arbitration panel's service shall be borne equally by the Parties.

- C. The mediation and arbitration procedure set out in this Article 6.10 shall survive the termination of this Agreement. But for the inclusion of this Article 6.10, neither Party would have entered into this Agreement.

6.11 Hazardous Environmental Condition

A. CLIENT represents to CONSULTANT that to the best of its knowledge a Hazardous Environmental Condition does not exist on a Site for a Specific Project, unless set forth in the individual Project Supplement.

B. CLIENT shall disclose to the best of its knowledge to CONSULTANT the existence of all Asbestos, PCB's, Petroleum, Hazardous Waste, or Radioactive Material located at or near the site of any specific project, including type, quantity and location.

C. If a Hazardous Environmental Condition is encountered or alleged, CONSULTANT shall have the obligation to notify CLIENT and, to the extent of applicable Laws and Regulations, appropriate governmental officials.

D. It is acknowledged by both parties that CONSULTANT'S scope of services in any individual Project Supplement shall not include any services related to Hazardous Environmental Condition unless specifically agreed to in an individual Project Supplement. In the event CONSULTANT or any other party encounters a Hazardous Environmental Condition not specifically identified in the individual Project Supplement, CONSULTANT may, at its option and without liability for consequential or any other damages, suspend performance of services on the portion of the specific project affected thereby until CLIENT: (i) retains appropriate specialist consultant(s) or contractor(s) to identify and, as appropriate, abate, remediate, or remove the Hazardous Environmental Condition; and (ii) warrants that the site of a specific project is in full compliance with applicable laws and regulations.

E. CLIENT acknowledges that CONSULTANT is performing professional services for CLIENT and that CONSULTANT is not and shall not be required to become an "arranger," "operator," "generator," or "transporter" of hazardous substances, as defined in the Comprehensive Environmental Response, Compensation, and Liability Act of 1990 (CERCLA), which are or may be encountered at or near the site of a specific project in connection with CONSULTANT'S activities under this Agreement.

F. If CONSULTANT'S services under any individual Project Supplement cannot be performed because of a Hazardous Environmental Condition not specifically identified in the individual Project Supplement, the existence of the condition shall justify CONSULTANT'S terminating that individual Project Supplement for cause on 30 days' notice.

6.12 Allocation of Risks

A. Indemnification

1. To the fullest extent permitted by law, CONSULTANT shall defend, indemnify and hold harmless CLIENT, CLIENT'S officers, directors, partners and employees from and against any and all costs, losses and damages (including, but not limited to reasonable fees and charges of consultants, attorneys and other professionals, and all court or arbitration or other dispute resolution costs) caused solely by the negligent acts or omissions of CONSULTANT or CONSULTANT'S officers, directors, partners, employees, and CONSULTANT'S consultants in the performance and furnishing of CONSULTANT'S services under this Agreement.

2. To the fullest extent permitted by law, CLIENT shall defend, indemnify and hold harmless CONSULTANT, consultants officers, directors, partners, employees, and CONSULTANT'S consultants from and against any and all costs, losses, and damages (including, but not limited to reasonable fees and charges of consultants, attorneys and other professionals and all court or arbitration or other dispute resolution costs) caused solely by the negligent acts or omissions of CLIENT or CLIENT'S officers, directors, partners, employees and CLIENT'S other consultants with respect to this Agreement.

3. To the fullest extent permitted by law, CONSULTANT'S total liability to CLIENT and anyone claiming by, through, or under CLIENT for any cost, loss or damages caused in part by the negligence of CONSULTANT and in part by the negligence of CLIENT or any other negligent entity or individual, shall not exceed the percentage share that CONSULTANT'S negligence bears to the total negligence of CLIENT, CONSULTANT, and all other negligent entities and individuals.

4. In addition to the indemnity provided under paragraph 6.12.A.2. of this Agreement, and to the fullest extent permitted by law, CLIENT shall indemnify and hold harmless CONSULTANT and its officers, directors, partners, employees, and CONSULTANT'S subconsultants from and against all costs, losses and damages (including, but not limited to all fees and charges of CONSULTANT'S attorneys, and other professionals, and all court or arbitration or other dispute resolution costs) cause by, arising out of or resulting from a hazardous environmental condition created as a direct result of the acts or omissions of CLIENT, provided that (i) any such cost, loss, or damage is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property (other than completed work), including the loss of use resulting there from, and (ii) nothing in this paragraph 6.12.A.4. shall obligate CLIENT to indemnify any individual or entity from and against the consequences of that individual or entity's own negligence or willful misconduct.

B. Limitation of Consultant's Liability

1. To the fullest extent permitted by law, and notwithstanding any other provision of this Agreement, the total liability, in the aggregate, of CONSULTANT and CONSULTANT'S officers, directors, partners, employees, agents, and consultants, and any of them to CLIENT and

anyone claiming by, through, or under CLIENT for any and all claims, losses, costs, or damages whatsoever arising out of, resulting from or in any way related to specific project from any cause or causes, including but not limited to the negligence, professional errors or omissions, strict liability or breach of contract, or warranty express or implied of CONSULTANT or CONSULTANT'S officers, directors, partners, employees, agents or consultants, or any of them, shall not exceed the total compensation received by CONSULTANT for the individual Project Supplement or insurance proceeds actually received to cover said loss(es) up to \$2,000,000.00, whichever is greater..

6.13 Notices

Any notice required under this Agreement will be in writing, addressed to the appropriate party at its address on the signature page and given personally, or by registered or certified mail postage prepaid, or by a commercial courier service. All notices shall be effective upon the date of receipt.

6.14 Applicability of Continuing Services Agreement to individual Project Supplement

The terms and conditions set forth in this Agreement apply to each individual Project Supplement as if set forth in the individual Project Supplement, unless specifically modified. Neither CONSULTANT'S review of the work for the

purposes of recommending payments nor CONSULTANT'S recommendations of any payment including final payment will impose on CONSULTANT responsibility to supervise, direct, or control the work in progress or for the means, methods, techniques, sequences, or procedures of construction or safety precautions or programs incident thereto, or Contractor's compliance with laws and regulations applicable to the work. It will also not impose responsibility on CONSULTANT to make any examination to ascertain how or for what purposes Contractor has used the moneys paid on account of the contract price, or to determine that title to any portion of the work in progress, materials, or equipment has passed to CLIENT free and clear of any liens, claims, security interests, or encumbrances, or that there may not be other matters at issue between CLIENT and Contractor that might affect the amount that should be paid.
