EXHIBIT E - LIABILITY INSURANCE

February 19, 2022

Dear Huron City Council,

This letter serves as a request for use of Lake Front Park for the Lake Front Market on June 10, 2022 from 5:00-9:00pm for a private event limited to 300 people, and on June 11, 2022 from 9:00am – 7:00pm for the open market. The Lake Front Market will include retail vendors, food vendors, music, beer/wine garden and kid activities. We plan to have approximately 80 retail vendors, max of 10 food vendors including food trucks, dessert stations, activities on the beach, and variety of music in the gazebo throughout the day.

The road closure that we have requested (map included) is for food vendors and retail vendor overflow. As stated on the provided Food Vendor Application, vendors will not be provided electricity and must provide Erie County Health Department Food Permit prior to opening for business. Food Trucks utilizing a generator will be located on Wall Street with the back of truck on water side; this will minimize the amount of sound that comes from a generator for attendees and residents. All vendors will be required to adhere to any fire code items as stipulated by the Huron Fire Department and subject to an inspection prior to the market opening.

We plan to utilize a similar parking plan as Huron River Fest, including use of street parking, public, and having local churches to provide parking for a fee. A minimum of a month prior to the market, we will supply and promote a map letting attendees know where to park. Also, we will be working with the police department on what will need to be done as far as extra security in the Lake Front Market area on Friday night to Saturday morning.

The Huron Chamber of Commerce will apply for a "Beer & Wine" Permit from the State of Ohio Department of Liquor Control, as we have in past years. The area will be roped off and is noted on the included map.

In addition to the above stated, we are planning on having a "Young Entrepreneurs" Tent again, to allow our local youngsters to showcase their business and product for no fee. We have partnered with the Huron Public Library to provide a kid activity area near the playground. There will also be live music in the Gazebo throughout the day, with no electricity needed.

We are requesting road closures to include Center Street from Park Street to Williams Street (at Wall Street), and Ohio Street from Park Street to the water. Volunteers will man the three road blocks, to allow the any residents in and out. We also ask permission to begin promoting no parking with in those blocked areas as early as the night before to ensure no cars for the hours of market operation, with the assistance of the city.

We would also like permission to place the Lake Front Market sign in the eastern end of the median where it intersects with Center Street, from May 9 – June 12, 2022. The sign will meet size requirements and will not impede views for drivers approaching the intersection.

In addition to previous years, we would like to pay the city the \$500 fee this year and will work with the Police Department to pay for overnight security.
