Lot Split/Combination Process Checklist

The following steps must be completed in order for a parcel of land less than five (5) acres to be subdivided or to have lots combined:

___ Set an appointment to meet with the City of Huron Planning & Zoning Department for preliminary review of lot size and lot width requirements of the zoning district in which your proposed lot split or combination (s) will be located. All lots must have frontage on an approved public right-of-way, not a private access easement. Application may require approval by the Planning Commission, subject to their monthly meeting schedule.

___ In areas without existing utilities: Check with the Erie County Health Department at 419-626-5623 to verify that a sewage system installation permit can be obtained for your proposed lot(s). Check with the City Engineering Department cityengineer@huronohio.us to verify that utilities can be installed for your proposed lot.

___ Have a survey prepared for the proposed lot (s) by a registered surveyor. All survey plats and legal descriptions must conform to the Ohio Administrative Code Sections 4733-37 to 4733-37-07. Further, the plat shall also show the existing lot lines, existing buildings and proposed setbacks from the existing structures to the proposed lot lines.

___ Submit the survey plats and legal descriptions for your proposed lot split/combination (s) to the Erie County Engineer's Office for approval. The County Engineer's Office will stamp the plats and legal descriptions. After the County Engineer's Office, submit survey plats and legal descriptions to the City of Huron Planning & Zoning Department for their approval.

___ Complete Box #1 of the affidavit form on the opposite side of this brochure and have the signatures notarized.

___ Submit the affidavit form with Box #1 completed along with processing fee, approved survey plats, legal descriptions and new original deeds for the proposed lot split/combination (s) to the City Planning & Zoning Department. The planner will check the proposed lot (s) for conformity with City zoning requirements. If approved, the planner will then sign Box #2 on the affidavit form on the opposite side of this brochure and the survey plats and legal descriptions. As prescribed by State statute, the City of Huron Planning & Zoning Department has seven (7) working days to review and process your submission. The Planning Department will notify you when your application has been processed or you may check periodically within the seven (7) working days to see if it is completed.

___ If your submission is approved, you must then file it within 60 days at the Erie County Tax Map Office which is located on the second floor of the Erie County Office Building, 247 Columbus Avenue, Sandusky, Ohio 44870.
