City of Huron Business/Non-Residential Property Owners:

The Huron Police Department is requesting an update to our current contact lists for your business or non-residential property along with an after hours contact list. As you may or may not know, the Huron Police Department conducts “business checks” throughout the evening/morning hours in an attempt to protect the property and assets associated with your property. Every night, depending on call volume, an officer is actively patrolling your property in an attempt to deter or locate suspicious activity.

With your responses, our database will be updated, as well as a contact list will be installed in every police cruiser in order to contact you immediately should an emergency exist. If the Huron Police Department were to contact you, the following numbers will primarily show on your caller ID; 419-433-5000, 419-656-2525, or 419-656-2101. Please add these numbers to your contact list so you don’t disregard the call.

Please submit the contact information to **Police@HuronOhio.US** or drop off the completed portion below to the Huron Police Department. If you have any questions please contact the Huron Police Department at 419-433-4114. We appreciate the opportunity to serve you.
